

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

### Father God

Thank you, my daughter Fernanda, for sitting with me, your Father God, my Son Jesus Christ, the Holy Spirit and Blessed Mother Mary.

My little lamb, I, your Father God, I am here with you, to convey a message. My little one, we missed our conversation yesterday. Yes, this week has been very busy, occupied, in many different ways. You have been occupied and had very late nights. Oh my lamb, on Saturday, after coming from Ngome, Mother Mary's holy grounds, Tabernacle of the Most High, as you opened your eyes early in the morning, you were still very exhausted. You said to my Son Jesus that you didn't know how you were going to cope all day at the seminar, the Alpha and Omega seminar.

My little lamb, you were very joyous, full of energy, helping my son Father Colin with the rest of the prayer team as my son priest Father Colin was praying and doing deliverances upon my people. Oh, you were doing so well! By the end of the day, which finished very late, you were stronger than when you started the day – this is the sustenance of my Son Jesus upon his devoted, faithful children when they are doing my Son Jesus Christ's work, working for his harvest, watering the dry fields to restart in a better soil. The seeds are planted but need to be watered.

All of you, my people of Alpha and Omega, prayer warriors, I, your Father God, I thank each one of you for this exquisite seminar, helping my people to open their eyes, taking away the scales from my people's eyes. I thank my son Charles Pritchard for this wonderful seminar, done with zeal and perfection, according to my Son Jesus' holy will, being obedient to his call, his faithfulness and carrying the mission that is upon his shoulders. Oh, my people learnt a lot in this seminar, teaching them the value of my Son's Holy Mass and about Confession. At this seminar, yes, many different kinds of healing occurred in my Son Jesus' holy name.

My little lamb, I thank you for your simplicity in conveying your message, your testimony, about your literature<sup>1</sup>, how you grew up in a simple, honest, poor family. Yes, your loved ones were simple, but they always had food on their table as they had land to plant for all their daily lives, and you, my little one, recognised that. You haven't forgotten your roots, where you were born. Yes, my child, there is no need to be embarrassed when my people are born in a simple home with no riches, as my Son Jesus was born in a manger. My Son Jesus has never been shy or embarrassed to tell the

world where he was born. Honestly, simplicity, humbleness are gifts from heaven, from the Holy Trinity. My little lamb, you are aware of all of this. As with your sense of humour, you have this gift of telling my people about your background, your hometown, your village – in your heart you have these beautiful memories to share with your brothers and sisters in Jesus Christ, my people.

I give you my peace, my peace I give you, your loved ones and all my people. Amen.

[Fernanda] *Thank you my unique, loving Father God. Meu Pai<sup>2</sup>, meu Criador<sup>3</sup>, I love you. Sua bênção<sup>4</sup>.*

### **Jesus Christ**

Thank you, my Petal, for this beautiful dialogue with my Father God. My little one, my Blessed Mother Mary, she is here to converse with you.

### **Mother Mary**

My little Andorinha<sup>5</sup>, I, your Mother, Virgin Mother, I am here to converse with you. I thank you, my child, for your honesty in remembering all from your childhood until now – the pains, trials, hardships that you underwent through the course of your entire life. You accepted all this with a smile, courage and faith. Even in your darkest times of your soul, you resisted all with patience, love and understanding. This was for your purification to carry this Alpha and Omega mission, to proceed in my Son Jesus' holy name.

I thank my dear precious children who have been part of this beautiful seminar that took place this past Saturday. All praise and honour and glory to my Son Jesus Christ! These are the beautiful rewards that one day, all of you, my children, will see in the book of your lives in heaven. Oh, all your time consumed, arduous work, that each one of you, my children, put in – the impact, diligence, perseverance, trust and faith to help this seminar to be so successful, the impact to bring my children back to their faith that many of them have lost during the course of their lives.

I thank my adorable son priests for hearing my children's Confessions, for helping them to confess all their sins, past errors, mistakes, to come clean to receive my Son Jesus' Precious Body and Blood in a state of grace. Oh, when my Son Jesus enters my children's clean hearts, with all their horrendous sins committed confessed, this is the joy of heaven. Know, when one lost soul is recollected back to heaven, back to my Son Jesus' Sacred Heart, there is a huge feast in heaven: trumpets, flutes, angels singing alleluia etc. Oh my dear, children, this is one thorn that has been removed from my Son Jesus' pierced heart.

My little one, I bless you, your loved ones and all my children. Amen.

[Fernanda] *Thank you my Blessed Virgin Holy Mother of God and our Mother. I love you. Sua bênção.*

### **Jesus Christ**

Thank you, my child. I, your Jesus Christ, I am here with you. My Father God came to converse with you, then my Blessed Mother. I am here to conclude our conversation.

My Petal, I thank my sons Teddy, Michael and Paulo, for the beautiful living testimonies about themselves, changing their past sinful lives to a better, complete change of their conniving lives to better lives, coming back to my heart.

Yes, I, your Jesus Christ, I came for the sinners, not only the righteous. My aim is to bring many lost souls to the right path, for them to know the right from the wrong, to commence a new episode, a new page in their lives. My children, they cannot wait for too long because tomorrow belongs to me, Jesus Christ. I am the Alpha and the Omega. I am the beginning and the end. I am in control of each one of you, my children. Come now, make the decision to change all your attitudes, your errors and faults. You don't know what will happen tomorrow, which is in my hands.

My Petal, you desire to ask me something for these, my devoted children. You may ask me as my children, my devoted, precious children asked you to pray for them. You may ask me with my permission.

...private message removed...

My child, thank you for asking about this question, prayer request, for my children. I will come very soon with the right solution upon them. These, my children, they are my special, devoted, faithful children. I will never forsake or abandon them. They are doing tremendous work for my honour and glory. Be at peace my children, you are safe in my arms. Nothing will happen to you and your loved ones.
