

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7-8

### Jesus Christ

Thank you, my daughter Fernanda, for sitting with me your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My little one, I, your Jesus, I am here with you to relay a message to my children.

My dear children, I, your Jesus of Nazareth, I am here to convey to each one of you, my love, my concern, about you, my dear ones. My Father God, my Virgin Mother Mary and I relayed our message for the New Year.

My dear children, I see each one of your movements, your pathway all the festive season, the joy, the drinking, excessive drinking that caused quarrelsome disunity in families, marriages, and much more. Yes, my dear ones, there is a limit for everything in your daily lives. There is a season of my birth to be celebrated in harmony, joyous times, families together in this special occasion, the time of my birth to bring light to the world, to bring peace, love, joy in families, in harmony. But my dear ones, we also see your sinful lives during this festive time, in this celebration. Oh, there were so many horrendous sins, killings, wars, impurities of the body, mind and soul. I see the Satanists using my Precious Body and Blood in horrendous, mysterious ways, with grievous intent, using my Precious Body and Blood in the wrong way, to cause pain upon my heart and my Mother's Immaculate Heart. Abortions, countless abortions, so many lives being destroyed, killed, by their own mothers, fathers, families, doctors, nurses without remorse or compassion. Bombs, little ones suffering because of these kinds of atrocity, yes and many more indecent sins that will cause my children to lose their souls in eternity. Yes, my precious children, my love, my concern upon your souls is my pain because this is supposed to be a joyous time for your salvation.

Through my birth I bring a new beginning, a new life to start afresh with a good Confession in repentance. Oh, my dear ones, how many of you start the New Year with a clean heart, without sin, with a proper Confession in repentance? Yes, this is my concern upon you all. My children, time is running out. Tomorrow it might be too late.

My daughter, my Father God is here to converse with you

### Father God

My little lamb, I, your Father God, I am here with you. Thank you for the beautiful day, for attending my Son's Holy Mass.

Today my little one, you had your brothers and sisters in Jesus Christ visiting you, in union, unison of voices, singing *Exulta e Canta Habitantes De Sião*<sup>1</sup>, my Son Jesus' song. When you sang, yes, the angels, they were with you all in this special song being sung with all your hearts. It is in times like this that my people bring joy to his aching heart.

My little lamb, I, your Father God, I am here in unison of voice with the Holy Trinity to repeat my Son Jesus Christ's message. Oh my humble servant, we do need joint forces in prayer to help my Son Jesus in bringing peace, love, stability in families, in governments. My people must be in unison of voice in prayer, to help the sinners to be saved, to bring them to see the truth, the light of my Son Jesus Christ. My people must be united in prayer groups, home cells, praying the holy Rosary, Divine Mercy Chaplet, to pray intensely for my people to be ready at all times, for them to be ready when their time is accomplished in this world, to save them. Oh, my Son Jesus' Second Coming is near, and my people ignore this. My people must always be ready, not fearing these my solemn words but fearing their salvation

I give you my peace, my peace I give you your loved ones and all my people. Amen. Thank you my child Fernanda.

[Fernanda] *Thank you my Almighty Father God, I love you. Sua bênção*<sup>2</sup>.

### **Jesus Christ**

My humble servant, my Blessed Virgin Mother, she is here to converse with you.

### **Mother Mary**

My little one, I, your Virgin Mother Mary, I am here with you. Today is the second day of the New Year. My children will slowly come back from their holidays, good times with their families. How many of them remember us here in heaven? How many prayed or at least blessed themselves at bedtime or as they were waking up? How many of them taught my little ones about the meaning of the birth of Jesus? Or taught them to pray at least one Our Father, three Hail Marys and a Glory Be for their protection? Or to bless themselves and say a prayer before their meals in thanksgiving to us here in heaven, to the Father, the Son and the Holy Spirit?

Yesterday it was the feast day of the Solemnity of Mother Mary. Do my children understand the meaning of these words of the feast, celebration? Yes my children, it's a day of obligation, going to the Holy Mass on 1 January. The Solemnity of Mary, the Holy Mother of God, a feast day, a celebration of Virgin Blessed Mother of Jesus Christ. My children see me as the Mother of the Lord, Son of God the Father, but very few of my children know about this, and do not even come to Holy Mass on the first day of the year, to start with their hearts for a new year, new challenges in their daily lives.

Yes, my children need the Holy Mass and to receive the Precious Body and Blood of Jesus Christ to regain strength and courage to carry on with their trials and hardships. With my Son Jesus in their hearts, there is nothing that they cannot conquer – it's their fortification, their daily bread. If my children cannot receive him every day, at least they must not miss Sunday's Holy Mass – it's a day of obligation.
