

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Those who don't thank God for their blessings, don't believe in praying and going to church cause Jesus Christ the most pain

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My Petal, I, your Jesus, I am here with you.

Today, my Petal, you have been with some of my children. Yes, some of these, my children, live in their daily lives with earthly things of this world. Yes, there is so much in this country, in California, at this time of Christmas, so much done with all the beautiful decorations for this festive season. It pleases me very much to see the spirit of Christmas. You are enjoying seeing all the amazing ornaments, décor, for the birth of Jesus Christ.

My little one, you are amazed to see all these beautiful homes, but some of my children are far away from my heart. You have tried to give them some of our medals or things that you brought from Our Lady of Lourdes' [holy grounds], but they are not paying attention to the special items from holy places. As you were listening to my son _____ and you were explaining to him and to my other children, oh, you knew in your heart that he was in another understanding of the knowledge of God given to you. Yes, some of my people don't comprehend, as my son _____ [about] not believing too much about going to church or to pray. Yes, my Petal, pray for him. Oh, your heart was pouncing as you were thinking, "Oh, so much has been given to him, this money," but your heart, your mind was thinking about one day when his time in this world will be accomplished, what is he going to bring to eternity besides his earthly things?

My Petal, my Father God, he is here to converse with you.

Father God

My little lamb, I, your Father God, I am here to converse with you. My little one, I, your Father God, I am here to convey a message.

Yes, my people, they have so many commodities in their lives – riches, good homes etc. – but how many of them turn around and thank the Father God, the Son Jesus Christ and the Holy Spirit, the Paraclete? How many of my people are aware that all these fortunes, blessings, have been given to them from above, from the Holy Trinity? Yes, my people can work hard but without the blessing that comes from the Triune God... How many of my children wake up and go to sleep and look upon heaven and thank the Triune God, saying "Thank you, thank you for these blessings," or "Thank you for another day, for everything given to us". They forget their Creator, their Provider, their Saviour and their Breath of Life. Oh, my Son Jesus Christ, his pains upon the cross! The ingratitude of

humankind, the tepid, lukewarm souls were one of the most horrendous pains. Pray for these souls. Pray for my people who are living in this world not believing that there is a powerful Heavenly God the Father, God the Son and God the Holy Spirit who loves his people unconditionally, but then in return, they turn away from this love given to them for free.

I give you my peace, my peace I give you, your loved ones and all my people. Amen.

[Fernanda] *Thank you, my loving Heavenly Father. I am sorry for the many times I took all the blessings, graces, for granted with some ingratitude towards my Creator and my Jesus Christ, my Saviour, and my Holy Spirit, my Breath of Life. I love you. Sua bênção¹.*

Jesus Christ

Thank you, my Petal. My Blessed Mother, she is here to converse with you.

Mother Mary

My little one, I, your Blessed Mother Mary, I am here to converse with you.

My little one, back in your country where you have lived for many years, yes, there are floods, rain. My children have been praying for rain to fall down in this country. All the prayers have been heard – each one of them. Yes, in some parts, the animals, the *gado*², have died because of the drought. Yes, it's very sad to see all that, but how many of my children are dry? The drought of their souls and spirits are in need of having this weather of rain down upon them. My little Andorinha³, yes, there was a lot of damage because of the *chuvas torrenciais*⁴, torrential rains.

Oh, this country South Africa needs intense prayers for many different things, for good government leaders, for peace and unity, for the safety of the country, for my children's safety – the crime is out of control – for stability of this country, for my children in need of employment, to stop corruption, greediness, malice, dishonesty and *deslealdade*⁵, for families in conflict, marriages in separation and to stop the crime of abortion, for the crime to stop etc. Pray, pray, you need to pray for my children in need of help.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my loving Blessed Mother. I love you. Sua bênção. ♥♥♥♥xxxx Beijinhos⁶.*
