

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary.

My Petal, I, your Jesus Christ, I am here with you. Thank you for the beautiful, peaceful day with my children in harmony at this joint breakfast for my daughter Fatima's farewell. She is going back to her birthplace, Madeira. Yes, her life also had trials, tribulations and hardships, also sorrows in losing her loved one, but it's part of my children's lives. There are happy days, sunny days, sad days, rainy days, trials, but every season brings all this upon my children. Yes, the future of my children belongs to me, Jesus Christ. The mystery of God belongs only to God. My children must accept wins and failures in their lives. They must trust in me, Jesus Christ; focus upon me, my Sacred Heart and surrender all to me – all their burdens, worries and fears, sicknesses and illnesses. I am their healer. I am the light of the world. I am the comforter, the light of my children when they are in the dark. I am the friend that they can trust. I never betray or forsake you. I am your Saviour. I have given my life for you. I am love. My love for you is unconditional love. My mercy will surpass anything in your lives. I thirst for your salvation, my dear precious children.

My Petal, my Father God, he is here to converse with you.

Father God

My little lamb, I, your Father God, I am here to converse with you.

Today, my little lamb, in some part of this world, China, there is an epidemic of some virus, illness, which my people called "black death". Yes, my people must pray to stop this epidemic in this world. Oh, they say it's global warming, climate change, causing all of this, picking it up in the air etc. But my people must know that only prayers to heaven are the key words for many disasters upon this world.

...private message removed...

My little lamb, there was also an earthquake that happened in Turkey. Oh my little lamb, you don't have to go and see where because I, your Father God am saying to you that it will be seen more and more in other countries, these disasters – the earthquakes, fires, volcanoes of water etc. – that have been happening and continue happening. Oh, my Son Jesus has given these signs all over the world but my people still don't see that these are the signs of my Son Jesus' Second Coming. My people

see these signs in other countries but don't realise or think that this can also happen to them, wherever they are.

Oh, I am a Father of love, of compassion, so is my Son Jesus Christ. We do love you unconditionally but we also desire that you, my people, also retribute to us some of your love, your appreciation, gratitude for our love towards you. Oh, what a joy to my Son's Sacred Heart to see that love towards us here in heaven, which is your faith, your continuous trust and surrender to my Son Jesus, your repentance, your acceptance to come to my Son Jesus' Sacred Heart, the will to change your hardened hearts, your will to come to my Son's Holy Mass, to obey the Ten Commandments, your will to serve my Son Jesus, to walk in the footsteps of my Son Jesus, to love one another as my Son Jesus loves you, to forgive all the errors, faults, mistakes of one another, to imitate my Son Jesus Christ upon the cross as he said, "Father, Abba, forgive them as they don't know what they are doing."

Thank you my dear people. This is me, your Father God, asking you all of this. Amen.

I give you my peace, my peace I give you, your loved ones and all my people. Amen.

[Fernanda] *Thank you my loving Father, I love you. I give you my will to serve my loving Jesus Christ, your Son, my Saviour. I love you. Sua bênção¹.*

Jesus Christ

Thank you my Petal. My Blessed Mother, she is here to converse with you.

Mother Mary

Thank you my little Andorinha². I, your Blessed Virgin Mother, I am here with you. Thank you for going with my daughter Alice and praying upon your loved one. Yes, it was needed. Oh, your loved one, he was in need of this. Yes, there is something that he needs help upon in his life. Oh, there is so much jealousy, envy, witchcraft upon this world – even since the beginning of time, Cain killed Abel.

Yes my children, continue to pray and offer Masses for my children and for the sinners. This pleases us here in heaven. When my children have Holy Mass offered for them while they are alive, these Holy Masses are of more value than when they are dead. Yes, after death, my children need prayers, and Holy Masses are important for their souls, but some of my children, they don't send Holy Masses or prayers for their deceased families. Oh, these souls yearn for their loved ones and families to pray for them. Yes, my children cry and cry for years for their deceased loved ones, but what the deceased appreciate and desire are Holy Masses and prayers instead of many tears – and sometimes they³ blame God and my Son Jesus for taking them to eternity, to the Father's house. Yes, my children don't live forever in this world. They are born to be here for a short while, to accomplish their mission in this world. My Son Jesus doesn't choose young or old – each one of my children, they are here on a journey.

[Fernanda] *I am sorry my Blessed Mother, for this, your child _____, calling me. I thought something was wrong with her. I apologise.*
