

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7–8

### Jesus Christ

---

Thank you, my daughter, for waking up to converse with me, your Jesus Christ. My little one, I your Jesus Christ, I am here to relay a message.

My little one, time is very precious to be wasted. My time is running out. My children are wasting time, energy, on the things of this world. Oh, they are running from one country to country in *busca*<sup>1</sup> of a better life, a better future, running because of crime etc. But the most important they are leaving behind them – they are not taking care of what is the most important in their lives. They are not concerned about their souls. Oh, this is for eternity.

My dear children, I, your Jesus convey this message. Take care of your souls with zeal because I, your Jesus, I take care of you, but you don't see my anguish and affliction because you are losing precious time on [putting] other things first. My children, my anguish is to see many souls who are perishing, are suffering in eternal life because they never were concerned with what was the most important for them. My dear children, your last breath can be now, tomorrow, or any day and you have never been concerned about your salvation. I am your sovereign Jesus of Nazareth. I am your salvation. How many of you are thinking about your last breath on earth? Oh, my children fear these words – they must not speak about death because death is a fearful word. No my dear children, death is a new life, a new beginning for eternal life.

My children live in a world of fantasy, a world of hypocrisy, of intense sins. They are never concerned about how they are supposed to at least think, "One day when it is my last time on earth, am I in a state of grace to face the Face of God?"

My dear children, take care of your soul first, above any other things of this world. Oh, do you remember to call my son priest when one of your loved ones or brothers and sisters is on their deathbed or when they are sick? Do you bring a priest to visit them to have a Confession with their contrite hearts, to have the Anointing of the Sick? It doesn't mean that they are going to die if you call the priest, but it's an act of love towards them, a reminder of their salvation.

I, your Jesus Christ, I thank you for reading, for listening to this my message. I thank you for starting to take care of your soul while there is time. Remember, tomorrow belongs to me. It might be too late. I love you, my dear children. Your concern is my concern. I give you my peace, my peace I give you, your loved ones and all my children. Amen.

[Fernanda] *Thank you, my loving Jesus. I give you my will. Use me as you desire. I am your clay. You are my potter: mould me, transform me, change my heart. Wash away my iniquities, my sins, with your Precious Blood. I am a sinner. I ask forgiveness for my faults, errors, sins committed against you and heaven and also of my loved ones, family and for the sinners. I pray for the conversions of the sinners. I love you my Jesus Christ. Sua bênção*<sup>2</sup>.

Thank you my little daughter. I bless you. Thank you for your will. Amen.

♥ Our heart from heaven.

Pray the Divine Mercy Chaplet for the moribunds of this hour, this day, for the souls of purgatory and the most abandoned ones, for the conversion of sinners and for all the intentions as you usually pray. This is the hour of my mercy.
