

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7–8

### **Jesus Christ**

Thank you, my daughter for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Virgin Mother. My little Petal, I, your Jesus, I am here to converse with you.

Thank you for today and to my children and my son priest Father Joseph for the consecration of the prayer team to my Blessed Mother, Tabernacle of the Most High, in conjunction with my Holy Mass and the hours of the exposition of my Blessed Sacrament. Yes, these hours were very pleasing to me, to appease my Sacred Heart that is being profusely hurt, bleeding for the salvation of souls. Yes, I repeat: my Sacred Heart is constantly, profusely offended through the iniquities, blasphemies, horrendous sins committed every second of the day. Yes, all over the world, so many sins are committed. You, my children, can't imagine how many upon this world. Yes, many are dying every second of the day, but many are born at the same time. My children are rejoicing through the birth of their loved ones, but then they are in sorrow, pain, grieving the loss of their loved ones, family. How many are blaming me, my Father God, because of the loss, death, of their loved ones? But when they are born, how many of my children turn to us to heaven and thank us, the Triune God? My dear children, this is part of my children's journey in this world.

My little one, my Father God, he is here to converse with you.

### **Father God**

My little lamb, I, your Father God, I am here to converse with you.

Today, my little lamb, I, your Father, your Creator, of this universe and all my creatures upon this world. Yes, this world – as I watch every movement, every one of my people, turning their lives to a different mode of living in this world, very few in today's life understand that this world is in havoc, decay. Very few are trying to change, to return to my Son Jesus' way of life, my Son's teachings through parables, through some of my people's wisdom, knowledge of heaven, of the Holy Spirit and from the ones who are living their lives according to my Son Jesus' holy will. Very few are living a true, honest, peaceful lives. Yes, here in heaven, we can count those who are following the Ten Commandments, living a life for one day to enter the Kingdom of Heaven. My dear people, if you knew how much I love you with my Son Jesus, the Triune God, to save you, you would change your way of living, your sinful lives. If only you knew how beautiful heaven is, you would do anything in this world to change your lives of iniquity, of sin.

I thank you for changing your life as you read this message of my love toward you. As your loving Father God, I give you my peace, my peace I give you, your loved ones and all my children. My dear people. Amen.

[Fernanda] *Thank you my loving Father God. I love you. Sua bênção*<sup>1</sup>.

Thank you my Petal, my Blessed Mother, she is here to converse with you.

### **Mother Mary**

My little child, I, your Blessed Virgin Mother, I am here to converse with you.

My little child, today, my Immaculate Heart of Mary is aching. I cry tears of blood. Yes, in some parts of the world, I transmitted my pains, sorrows, through my blessed statues, my images with my tears of blood, for my children to understand my pain because I see how my Son Jesus' hand is coming down and I see that my children still carry on sinning with an immensity of cruelty hurting and perforating my Son's loving heart. I am next to my Son Jesus. I watch all of this, as this world is in turmoil, decay, as I see my children ignoring our call and our desire to save you all, but to no avail. As I see the time is approaching, time is running out, then I cry tears of blood to touch my children, for them to understand that it's time to repent, for their conversions. Oh, I, your Blessed Mother suffer tremendous pains as my children embark to eternity without amending their sins. How I and my Son Jesus are trying, trying to change your hearts through my apparitions and my Son Jesus' messengers throughout the world. This is the cry of a Blessed Virgin Mother who loves her children without limits.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my precious loving Blessed Mother. I am sorry for my sins, my loved ones, my family and all your children's sins. I will pray to alleviate your tears of blood and my loving Jesus Christ's pains. I love you. Sua bênção. Thank you my Holy Trinity. I love you. Sua bênção. ♥♥♥♥xxxx Beijinhos*<sup>2</sup>.
