

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary.

My little one, I, your Jesus Christ, I am here to converse with you. Oh, we missed our conversation yesterday as you were exhausted. I allowed you to rest.

Today, my child, you and my daughter Alice visited my son _____. Yes, my son is very ill, sick with cancer. He knows his time is near to come back to the Father's house. This week he surrendered all to me, Jesus Christ. This sickness of cancer is a terminal illness, as he is feeling his body is too weak to fight it, but he has given his will, according to my will, to let go of the riches of this world. Yes, he has been doing well in his life of prosperity and abundance but he understands now that everything that he worked for belongs to this world. All these riches accumulated through the years will stay in this world. Only the riches of his good deeds will be taken to heaven. All has been written in the Book of Heaven. As his time on earth is accomplished. Oh, the riches of what has been written in the Book of Heaven in letters of gold will be read in front of my Father's throne, and the Black Book of heaven – all is going to be read out. My children must clear all in the Black Book while they are in this world with repentance, a good Confession with contrite heart, amending their sinful lives to enjoy the paradise of heaven promised to them.

My Petal, my Father God, he is here to converse with you.

Father God

My little lamb, I, your Father, I am here to converse with you.

Thank you for today, for attending my Son's Holy Mass. Yes, you were tired this morning, but you came early to Holy Mass, putting God the Son, God the Father, God the Holy Spirit first in your life.

You visited my two sons _____ as they are also very ill. Yes, they are in a labyrinth, not knowing where to turn in this time of turmoil, confusion and deception in their lives.

My dear people, I, your Father, I convey this message to you. My people, at the moment, they are going through difficult trials of many different kinds of infirmity. Yes, there is an epidemic of illness. Also, cancer is a disease that my people don't understand. They must surrender it all to my Son Jesus, but my people are in fear of death. Yes, there is a sublime certainty that each one of you, my

people, will come back to the Father's house, your Creator. Do not be afraid, my dear people. Live your life according to my will and I will take care of you forever and ever, to eternity.

I give you my peace, my peace I give you, your loved ones and all my people. Amen.

[Fernanda] *Thank you my loving Father. Amen. I love you. Sua bênção*¹.

Jesus Christ

Thank you, my Petal. My Blessed Mother Mary she is here with me.

Mother Mary

I bring my dear children today to my Son Jesus' Sacred Heart but very few accept this gesture of love. Yes, my children, you are away from my Son Jesus' *candura*², docile, loving heart. Yes, my heart is open to give myself to my children through my Immaculate Heart of Mary, through my tears of blood. My infinite love is unconditional.

Oh, it was beautiful to see these my children feeling the heart of love of my Son Jesus Christ.

My son _____ accepted all his pains and infirmities. He surrendered with all his pains and fears to my Son Jesus, yes, through prayers and letting go of his possessions that he had worked for through his life. Yes, I thank you both for praying upon him and praying the prayer of forgiveness. He has forgiven all his enemies, family, loved ones, all their indifference, and also asked my Father and I to forgive all his faults and sins.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

[Fernanda] *Thank you my beautiful Blessed Mother. I love you. Sua bênção. Thank you my Holy Trinity. I love you. Sua bênção.*
