

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary.

Father God

My Petal, I, your Father God, I am here to converse with you.

My little lamb, thank you for today, for coming to my Holy Mass twice to receive my Son Jesus in your heart. Tonight, my Son Jesus' Holy Mass was celebrated at my daughter Quida's home. Oh, my people must have Holy Mass at their homes – it brings blessings and graces upon them and their loved ones, family. If only my people understood the value of my Son's Holy Mass, especially for their intentions and their loved ones, family, while they are alive. Sometimes my people don't see these graces, blessings, but they receive them in many different ways in the course of their lives. If they don't receive them for the intentions that they ask for, they will be received for their loved ones, family, for themselves, in time to come. Yes, my Son Jesus and I, your Father God, we do know what is best for our children, for my people, but every prayer, petition, prayer request, Holy Mass, it will be answered in my Son Jesus' own time, sometimes it's for their own benefit in a different manner.

Oh my dear people, do not become despondent or despair when you pray and don't receive your prayer requests, saying, "I pray, pray, pray the holy Rosary, Divine Mercy Chaplets, novenas and nothing happens, so what is the use of me praying? Or why must I go to church?" They become despondent, yes, many times against the Father, the Son, the Holy Spirit, Blessed Mother Mary and the saints. Oh, it's so sad for us here in heaven, the Holy Trinity, and for Blessed Virgin Mother as she has a huge task pleading, interceding to us in heaven. My dear people, prayers are never wasted. Holy Mass is powerful in your lives, your homes. As my son priests celebrate Holy Mass at your home, my Son Jesus' fragrance, love, peace, joy, will remain in your homes. Also ask my son priest to bless your home with holy water – it's very important and protects against anything from the enemy's attacks.

I give you my peace, my peace I give you, your loved ones and all my people. Amen.

[Fernanda] *Thank you my loving Father. I love you. Sua bênção*¹.

Jesus Christ

My little Petal, my Blessed Mother, she is here to converse with you.

Mother Mary

My little one, I, your Virgin Blessed Mother, I thank you for today, for praying the holy Rosary with my ancient, elderly children at the old age home. When my children give of their own time to spend with them, to bring joy, happiness upon them, it's an act of charity, love and compassion that will be written in the Book of Heaven in letters of gold.

Oh my [elderly] children, they were also young, joyful, full of life, as you my children are today. Once upon a time they were doing the same as you are doing today, taking care of their children, loved ones. But if they don't die young, because the mystery of God (of how long they are going to live in this world) belongs only to God. My elderly children were working to bring food to the table and taking care of their children – sleepless nights, heartaches, pains, tears, sorrows and griefs – also losing their family and loved ones in the course of their lives. Today some of my children are forgotten by their loved ones, forgetting the sacrifices that they went through.

Thank you my dear children for listening to this message. Tomorrow could be your turn. Even if your loved ones' mistakes, errors and faults hurt you without their knowledge or other intentions, forgive them and love them. They are part of your lives as my Son Jesus and our Father God are part of your lives. Each one of you belongs to the Father, the Son and the Holy Spirit. The blood that runs in your veins, it's also some of the Holy Trinity's.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

Jesus Christ

Thank you, my Petal. I, your Jesus Christ, I am here to converse with you today.

You are sitting with me, your Jesus Christ. You are awake at this hour of the morning. You and my children Alice and Quida were talking all night about us here in heaven and sharing each other's love for us. You were also with my children Jesse and Lily, gathering with a meal to share. My daughter Jesse's testimony, the healing miracle that I, your Jesus, bestowed upon her, the cancer on her throat... yes, my daughter Jesse, she is full of joy, the Holy Spirit. Yes, I, your Jesus, did miracles more than 2,000 years ago, yesterday, today, tomorrow and every second of the day upon our children. All her prayers through the long years were not in vain. All these miracles are for the honour and glory of your loving Jesus Christ. I, your Jesus Christ, I am the healer – my children, they are only instruments, channels. My children must always glorify, praise and give thanks to Jesus Christ. All the blessings, graces, their homes, abundance, prosperity, riches, anything given to them, *provein*², came, descended, from heaven. Nothing belongs to them. All this belongs to God the Father, God the Son and God the Holy Spirit.

[Fernanda] *My loving Jesus, your daughter Alice asked me to say to my loving Jesus that her late father Manuel Goveira in eternity, it's his birthday today. She asked my loving Jesus Christ to wish her loved one, father Manuel, happy birthday in heaven, to give him a hug, love, from her and her loved*
