

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Father God, Mother Mary, Jesus Christ

Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary.

My Petal, I, your Jesus, I am here to converse with you. Thank you for this special time to converse with me, your Jesus Christ, the Holy Trinity and the Mother of your Saviour, your spouse, Jesus Christ.

My Petal, today you have been occupied with the preparations for tomorrow as my children will be coming for prayers. Yes, more and more of my children will be coming for healing, for help with all their ups and downs, trials, hardships, in their lives. More and more, my children are seeking help in the wrong places. They fall into the trap of consulting mediums, sangomas, doing witchcraft, white magic, black magic etc., which is a disaster for their lives and families, instead of looking for a solution, seeking me, Jesus Christ, and at our Alpha and Omega Mission, where you and my children are in tune with us, the Triune God, in everything. Yes, here they receive the Word of God, they come to Confession, to my Holy Mass. I am very joyous about the teachings that my children receive here through my holy name.

My child, my Father God is here to converse with you.

Father God

My little lamb, I, your heavenly Father, I am here to receive all the prayer requests to the heavenly Father. Yes, many graces are obtained there. My Petal, my children, I, your Father, I heard many things from their daily lives. I am your sustenance, your Father who created you. Come, open your hearts – your hearts need to receive my love and my Son Jesus'. The heavenly Mother, she is your protection. She is a unique Mother that watches over her children. My dear people, do not look left or right: focus upon my Son Jesus. He is your brother, your friend, your Saviour. Come my dear people, open the window of your heart. Let the light of Jesus Christ shine upon you. Do not let this light be out of your life. Don't let this light be dimmed, but in force with clarity.

Oh, my dear people, look around you, see how this world is going. Yes, this sickness, coronavirus *está se alastrando cada vez mais* [is spreading more and more]. Yes, this sign of the End of Times, the Chastisement, is very clear but my people are shaking this off their shoulders, trying to ignore all

these signs. My dear people, this is the beginning of labour pains. Pray, repent, acknowledge the Son of Man. He is your Saviour.

I give you my peace, my peace, I give you your loved ones and all my people. Amen.

[Fernanda] *Thank you my dear heavenly Father. I thank you for everything in my life, for my health, my eyes, my mind, my feet so that I can walk, the providence that comes from heaven, all that I am, all that I have, all the graces blessing throughout my entire life. I give my will to my Holy Trinity. I love you. Sua bênção*¹.

Jesus Christ

Thank you my Petal. My Blessed Mother is here to converse with you.

Mother Mary

Thank you my child. My filha², I, your Blessed Mother, I convey this message. Tell my children how much I love them. My love with my Virginal Mantle covers them, protects them many times without their knowledge. I cry tears of blood as I see my dear children astray from my love and my Son Jesus Christ's. I shed tears of blood many times because of their sins. They never amend them. Yes, they fall and sin many times, but my Son Jesus waits patiently for them to make amends, to do penance to be free from those horrendous sins before it is too late³. Know my children, when my children are living sinful lives, living afar from our love, the teachings of the Ten Commandments, living a horrific sinful life, but when they change all of that and start afresh their lives, oh what a joy – it doesn't matter what they have done in the past. Our Father, my Son Jesus, they rejoice for the return of the prodigal son⁴. When my children start afresh, that is the joy of heaven. When they confess it all with the contrite heart⁵, we don't judge them as the Book of Heaven is cleared. After the amendment of their lives, my Son Jesus and our Father don't keep or throw these sins any longer upon them.

My children, start now and come to a new life, a new beginning. I bless your loved ones and all my children. Thank you for responding to my call. Amen.

[Fernanda] *Thank you Mãe Querida*⁶, *I am grateful for having my heavenly Mother as my Mother. I love you. Sua bênção. I thank my Holy Trinity for being my strength my courage to keep me going and to help me in my trials, hardships to forgive my sins. I am a sinner. Forgive me for my ingratitude. I am yours. I love you. Sua bênção. Thank you my guardian angel, my heavenly angels and saints for interceding for me and for protecting me in times of danger, I love you. My patron saints of Alpha and Omega Mission, I love you. Sua bênção. ♥♥♥♥xxxx Beijinhos*⁷.
