

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7-8

### Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My little one, I, your Jesus, I am here to converse with you. My Petal, I, your Jesus, I am here with you.

Thank you for today, that you and some of my children were able to attend my Holy Mass. You received me in your heart. Oh, you were very joyous that you received my Precious Body and Blood. Instead of one host, you received two as they were together. Yes my child, I knew you needed my Precious Body and Blood to strengthen you at this time of this coronavirus pandemonium.

...private message removed...

I desire that you be at home to pray intensely, as you have been praying before. I desire that you be at our home to pray the prayers, as you prayed before, for those long hours. My child, the Holy Spirit has been placed in your heart these past few days, for the Alpha and Omega mission to be still for at least two weeks. Yes, my children can come to Confession, but my children must be obedient to be safeguarded and I have given you in the message of yesterday – it also applies to you and my children from the Alpha and Omega Mission, my prayer warriors. These are crucial times around the world. This world needs intense prayers.

My Petal, isolate yourself in prayer for this world. You do know what prayers you need to pray. Focus upon my Sacred Heart. I need you in prayer. Be like Mary, not like Martha – Mary focussed on me, Jesus Christ, at that moment. I need you in prayer. Pray. While I allow you to be focussed in prayer, I will take care of my children, the ones who are needing prayers<sup>1</sup>. This is temporary. See, my Petal, if my children go away for the other seminars, my children have to be taken care of. I, your Jesus Christ, will take care of my children in the interim. Tell my children this is the time to be dedicated to me to heaven for this world in chaos, disarray. This is the most crucial time upon this world.

Today on Sunday, come to my Holy Mass and then immerse yourself in prayer. I thank you my little one, my prayer warrior. Explain to my children as I have conveyed this message. This time has been given to be in prayers.

My Petal, my Father God is here to converse with you.

## **Father God**

My little lamb, I, your Father God, I am here to converse with you. Thank you, my little child, *minha filhinha*<sup>2</sup>.

Today, all over the world, many of my people are in quarantine because of this epidemic, coronavirus. Yes, my people are dying and the world doesn't know the number of souls that are coming to eternity with this virus, besides the ones that die every day through other kinds of death. Yes, every day many souls are dying as usual, but they have a proper burial through their loved ones, family, but my people dying from this coronavirus pandemonium, they are just being cremated without having a proper burial. Yes, you have been praying for these, my people, who have been dying with this virus. My people must continue praying.

My little lamb, my Son Jesus Christ said to you that you and my prayer warriors of Alpha and Omega Mission must be focussed totally in prayer for all of this and for many other needs of this world, as my people are still not believing and repenting. Our previous messages all over the world for many years through my Son Jesus' messengers, visionaries, as Blessed Virgin Mother appeared to them, are to no avail. My people read and listen – it enters in one ear and comes out of the other one. It doesn't penetrate. They are not absorbing all these messages in their hearts. Even today, some are still ignorant and avoiding the real truth. My people still don't believe or repent. Yes, there are some now, but very few are in prayer and taking it seriously. Many of my people are in quarantine – yes, some of them they are concerned about their work and finances as they are at home, but at this precise moment what they need is to be like Mary, not like Martha. You need to be in prayer as my Son Jesus has said to you.

Thank you my little lamb. I give you my peace, my peace I give you and upon this entire world. In the name of the Father, the Son and the Holy Spirit. Amen.

[Fernanda] *Thank you my Almighty Father God. I thank you for keeping me safe, and my loved ones, my family and all my brothers and sisters in Jesus Christ. Amen.*

## **Jesus Christ**

Thank you my little one. My Blessed Mother is here to converse with you.

## **Mother Mary**

My little Andorinha<sup>3</sup>, I, your Blessed Mother, I have cried tears of blood for a long time, and now my child, my tears of blood have increased much more to see how my children are going through this coronavirus epidemic.

Yes, the hand of my Son Jesus is coming down, down, but my children still don't come and repent on bended knees. Oh, my children are just concerned about how long this is going to last, to come back to the same kind of lives of sin that they used to live. Yes, here in heaven, we do see each one of our children's actions, deeds, sins. Very few are in prayer, but we need them all in prayer, believing and trusting in the power of prayer. My child, this is very painful to watch. Yes, my children, they used to pray, as I asked my children to pray to heaven for more time to the world, but now my children must pray for this illness, for my Son Jesus' holy Church, for my son holy Pope Francis, my bishops, cardinals, my son priests (my son Pope Francis needs intense prayers for this protection, to guide my son's Church), for the governments, leaders, the loss of income in families, in the country, for

poverty in the world, for the lonely elderly at their isolated homes, for the ones dying alone in hospitals with this coronavirus and also the ones with other illness at their homes or hospitals as their family is not allowed to visit them (yes, there are many of them dying at this time without having a priest to give them their last rites because of this virus epidemic), for the countries facing crucial financial crises.

Some of my children are taking care of getting food, storing enough for them to live in this crisis, but my children must also take care of their souls, giving their hearts completely to my Son Jesus' heart with a contrite heart.

My little one, immerse yourself in prayer for all these causes.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my precious Blessed Mother. I am sorry for my sins that hurt your Son Jesus, those of my loved ones, my entire family and all your children. I love you. Sua bênção<sup>4</sup>. Thank you my Triune God, I adore you, I praise your holy name, I love you. Sua bênção. ♥♥♥♥ xxxx Beijinhos<sup>5</sup>.*
