

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

St Faustina's prayers stopped an angel from chastising a country – use this standstill time to put Jesus and prayer above earthly chores

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary.

My Petal, I, your Jesus, I thank you and my daughter Alice for all the hours in prayer in front of my Blessed Sacrament, praying for all the needs of this world.

At the moment the whole world is at a standstill. Yes, more and more deaths are occurring in many parts of the world. Oh, I hear my children's pleas, praying for this entire world, but pray specifically for Spain, Italy and China at the moment, for this virus, epidemic, which my children are going through. Every country in this entire world is suffering from this pandemic virus. My children are asking many questions. This is like a war without ammunition, arms. My children must pray like it's a war.

Oh my dear children, your prayers are essential. I see many of you are not praying. Many are still in their own world of earthly things. I see many of my devoted, faithful are doing Rosaries, chains of prayers – they are committed with their loved ones, with my Divine Mercy Chaplet. St Faustina, my Divine Mercy Apostle in heaven, has received these Divine Mercy Rosaries to pray for a certain country in this world. The angel of God was coming down from heaven to bring a chastisement upon that part of the world according to the will of my Father. As she prayed this Chaplet, "Eternal Father, I offer you the blood and divinity of your Beloved Son Jesus Christ in atonement for our sins and the whole world" – she was praying fervently with all her heart, then the angel went back to heaven and punishment didn't come down. Oh my dear children, there are so many prayers that you, my children, can pray – even a heartfelt prayer with love and sincerity from your heart is heard by us here in heaven. Yes, at 3 o'clock, the hour of my mercy, my Divine Mercy Chaplet must be recited for this world now in this turbulence and in sickness of coronavirus, and for the souls that are coming to eternity.

My child, my Father God, he is here to converse with you.

Father God

My little lamb, I thank you for keeping my Son Jesus Christ company.

These are the times in which my people must immerse themselves like Mary did. While Martha was so busy with other chores, Mary was giving her time to my Son Jesus Christ while he was preaching,

teaching my people. My dear people are so *atarefados*¹ with their chores at their homes, cleaning etc, etc. Yes, this is necessary but there is a time and place for everything in your lives. At this precise moment my people should put prayers above other chores. Yes, my Son's churches are closed, there is no Holy Mass, Confession or receiving my Son Jesus' Precious Body and Blood, which saddens us here in heaven. But you are free of this heartache as some of you are receiving my Son Jesus in Spiritual Communion with faith and watching the Holy Mass on television with respect. This has been given to you all with permission from my son Pope Francis for this crucial time in this world. It's out of my people's control. Be at peace, my faithful people. Very soon all will be normal again – until then, be with us with all your hearts, taking and receiving my Son Jesus in your heart in Spiritual Communion. When you do so, remember, my Son Jesus Christ is alive within your hearts. Reflect, meditate, on the holy sacrifice of the Holy Mass – our blessings descend from heaven in the name of the Father, the Son and the Holy Spirit. Amen.

I give you my peace, my peace I give your loved ones and all my people. Amen.

[Fernanda] *Thank you, my loving heavenly Father God. I thank you for this love towards us all, your people. I love you. Sua bênção*².

Jesus Christ

Thank you, my Petal, my Blessed Virgin Mother, she is here with you.

Mother Mary

My little child, I, your Blessed Mother, I am here with you.

I thank you for all the prayers. Yes, pray, pray for the conversions of sinners. There are so many whom my Son Jesus thirsts for, for their salvation.

The Holy Week will commence soon. Tomorrow is Palm Sunday, a very special day that my children are only going to celebrate in their homes in front of a television. Yes, there are so many of my son priests celebrating alone in my Son Jesus' churches to send all those blessings and the sacrifice of my Son Jesus' Holy Mass. Yes my little one, many of my children are taking this Holy Mass from the television, talking about my Son Jesus, the homily, the Gospel, on this media. Yes, if my children would take this seriously and follow the Holy Mass with reverence there will be graces received as if they were in my Son Jesus' holy church. Remember my children, this is a passing by, a test of faith for my children. Yes, I see some of my children, they do, and at that time they are focussed upon my Son Jesus, praying for the world in this dismantled way of living, isolated, quarantined, but some of my children, they are in another dimension within themselves, not even looking at the moments of Holy Mass on the television but at other important matters or other indecent films or other entertainment that says nothing about and doesn't concern my Son Jesus.

Oh my dear children, I run out of words to plea to my Son Jesus to forgive you, to give you another chance, another time for penance in your lives. My dear children, at least make time in your family to pray together and to pray before meals in thanksgiving. Oh, how many families don't pray before meals? Oh there is no time... too tired from work and too focussed on your mobile, not even talking to each other. My dear children, this is time given to you to do all this that has been neglected in your family. My dear children, read the Gospel, the Holy Bible, as a family. Start with one paragraph and teach each other how the Apostles lived their lives before there was no media, no mobiles,

nothing that took the focus away from my Son Jesus Christ. Teach my little ones to pray as you have never before prayed in your lives. Do not be embarrassed to call your family together in prayer. This is a special gift from heaven, given to you to start afresh. My dear children, time is running out. Appreciate all these graces and blessings. I thank you all, my dear children, for listening and for enhancing these words of mine in your hearts.

I bless you all with my love to each one of you my dear children. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my unique Blessed Virgin and sweet Mother, I am sorry. I ask for forgiveness for my loved ones, family, and all your children who are far away from your Jesus' heart and from praying. I pray for the conversions of sinners. Amen. I love you. Amen. Thank you, my Holy Trinity. You are our Creator, our sustenance, our strength, our daily lives' bread upon our tables. Please help the poor in these difficult days. They don't have anything to eat, they are destitute. They don't have means to survive this pandemic time. Send your earthly angels to feed them. I love you. Sua bênção.*

Jesus Christ

Thank you, my Petal. Yes, there are so many of my children who are dying from hunger, famine. Pray. My children must pray and if they see someone who is *carência*⁴, in need of help, they must open their hearts, they must not fear to *aproximar*⁵, to come closer to them. I will protect them with my Precious Blood.

I give you my peace, my peace I give you, your loved ones and all my children. Amen.

♥ Our heart from heaven. Amen.
