

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit.

My Petal, another day, the Lord's day, passing by and my children carry on with nothing much that my children can present to me, their Jesus Christ. My Petal, now as my church doors are open, how many of my children are ready to come to my Holy Mass? Yes, they are comfortable in their homes. Yes, there was a time given to watch on the media, television, during this time of severe pandemic, a temporary indulgence, but as the church doors are open freely, my children must come and attend inside my holy churches. Yes, my children, on the Lord's day, they can't come to my Holy Mass – there are so many excuses. Yes, but to work on the Lord's days and going to do their shopping, duties, chores at supermarkets etc., they go with pleasure because there is no fatigue or *represália*¹ for working on the Lord's Day. But to for some enjoyment, to casinos which are not of my liking, there are no restriction limits. Oh my dear children, put God first in your family. Attend my Holy Mass. Start the day with my Holy Mass. All your burdens will be given to me to appease your aching hearts. Come, receive my Precious Body and Blood worthy of me, your Jesus Christ.

My Petal, my Father God, he is here to converse with you.

Father God

[08/03/21] Thank you, my little lamb. I, your Heavenly Father God, I am here to converse with you. We are continuing today as we couldn't converse last night. Yes, my little one, you couldn't open your eyes. Let's continue with our conversation.

My dear people are still doubting what is around this world. They are still living in a world of imagination, of status, not paying attention to our pleas. There is so much happening around the world. Yes, the changes to many different things. There is a drastic change of weather in some part of the world – a global change. Yes, there is a major freezing climate, one of the coldest that my people ever imagined. Yes, these are some of the signs as I have said to you before, my little lamb. My children stayed in the dark, cold, freezing to death, with no electricity and other commodities. This is a global change as my people adhere to their way of thinking. Oh my little one, my people don't want to see these signs that we have been warning them about, not in the sky but in their

surroundings. Yes, my people, these are the signs of heaven for you to open the eyes of your hearts, to modify your actions, to look deep inside your hearts, to respect the will of God the Creator. My dear people, my wrath can be placated if you turn your actions, your ways, to our call from heaven. How many of you, as my Son Jesus Christ's church doors are opening, put the will of God, the teachings to choose my Son Jesus first, above all? Oh, my people, you are too occupied, busy, with other chores than to come to the Holy Mass, to purify your hearts [in Confession], then to receive the Body of Christ to be your sustenance, your strength to face the challenges of your daily life.

I give you my peace, my peace I give you, your loved ones and all my children, my people. Amen.

[Fernanda] *Thank you, my loving, Eternal Father God. I praise you. I adore you. I am here to give you again my will, to be your servant. Forgive my errors, faults, sins, as I am a sinner, and all of your people. I love you. Sua bênção*².

Jesus Christ

Thank you, my Petal. I, your Jesus thank you for your will to my Heavenly Father. Yes, the will of yourself to us, the Triune God. My Blessed Mother, she is here to converse with you.

Mother Mary

My little one, I, your Blessed Mother, I am here to converse with you.

My Andorinha³, thank you and my daughter Alice for your will to go and pray upon my these, my children _____ and _____. Oh, they are in a deep need of help, the will of God the Father, the Son and the Holy Spirit upon these, my children's healing. Prayers are the only way to move that mountain in front of them. They are elderly, in need of some comfort and help. Continue to pray for these, my children, through the light of the Holy Spirit to guide them to which way, road, to follow.

My little one, I thank you and my son Paul for leading these, my children _____ and _____ in prayer with my Son Jesus' Precious Blood photo⁴, yes, with trust and faith as you both prayed for the illness, cancer, upon my son _____. My Son Jesus never abandons or forsakes my children. When they are lost sheep and they come back to his heart, it's a joy, a celebration in heaven, as my son _____ said they came back to my Son's heart because of his illness. From something bad, there is good coming from it, the healing of the soul, which is far more important than the body – the salvation of the soul, that when their time is ended in this world, they will rejoice the Kingdom of Heaven.
