

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Be strong in prayers to save the sinners before Jesus' Second Coming – you will receive many graces and blessings for this act of love

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary.

My little one, I, your loving Jesus Christ, I am here to converse with you in intimacy with our conversation. Thank you for displaying the incense, holy water, the burning candles and the oil lamp here in front of my Precious Body to alleviate my Sacred Heart. Thank you for alleviating my Sacred Heart. Thank you for attending my Holy Mass on the day of the Lord. Yes, my church doors are open all over the world, but there are some of my children who are comfortable at their homes watching on the media. Yes, my children had a partial absolution while there was a time of severe pandemic, they were given the permission by my son Pope Francis, but as my holy church doors are opening, my children's duty is to come back to my holy church to receive me in their hearts. My children don't want to make sacrifices for my honour and glory, as I paid my sacrifice for each one of you. My love for you has no limits. My dear children, I am waiting for you. As many of you didn't have the opportunity to have Confession, now that the doors are opening again, come to Confession, repentance, come and receive me in your heart worthy of me.

My Petal, my Father God, he is here to converse with you.

Father God

My little lamb, I, your Heavenly Father God, I am here to converse with you, to convey a message as my people don't see the meaning of our messages given to many saints, our visionaries all over the world, and Blessed Mother's apparitions. We, the Triune God, see everything. As this world is turning [into] decay, disarray, dismay, my people are looking for signs, the wars to come around the world. No, the signs are visible – earthquakes, volcanoes, tsunamis that many of my people are not aware of, the turmoil, dissolutions, divorces, marriages constantly in wreck, family against one another, especially mother against daughter and vice versa, brothers and sisters against one another, not speaking, talking to each other. Yes, this has been written in my Son's Holy Word, the Holy Bible. Yes, these are the visible signs. My people, look around you, see the decay in my Son Jesus' Holy Church. I need you, my people, to join hands in prayer and pray for all of these happenings. The hand of God is about to descend from heaven unless you, my faithful people, help my Son Jesus with prayers to help, to intercede to us here in heaven to give time. Heed to bringing the lost sheep, the sinners to conversions. Yes, Satan hates it when you, my people, pray for the

conversions of sinners. Be strong in your faith to combat Satan with this warfare, to save sinners before my Son Jesus' Second Coming.

I give you my peace, my peace I give you, your loved ones and all my people. Amen.

[Fernanda] *Thank you, my loving, Almighty Heavenly Father. I ask for forgiveness for this interruption of load-shedding. I thank you for your love, your forgiveness of our transgressions, our sins committed against heaven. I love you, Pai Eterno¹. Sua bênção².*

Jesus Christ

Thank you, my Petal, my Blessed Mother, she is here to converse with you.

Mother Mary

My little Andorinha³, yesterday you were with my children whom, once before, were very close to you, as your own. Yes, you were very joyous to see them happy and comfortable in their lives. Yes, your prayers were not in vain, even through difficult times you always remembered them in your prayers. Yes my child, they don't know this, but heaven is aware of my children's acts of love.

When my children pray for themselves all heard in heaven, every prayer is answered in my Son Jesus' own time. When my children are praying for their family, their enemies, for the conversions of sinners, their brothers and sisters in Jesus Christ, these are very profound prayers that bring joy and rejoicing in heaven. Oh my dear children, do not become despondent or give up praying, even if it takes years, months, days, keep praying. In my Son Jesus' own time all your prayers will be answered. Know, my children, if you don't receive your prayer request in your own time, my Son Jesus has already given the answer to your prayer without your knowledge – you receive graces and blessings every second of the day in many different ways, but you, my children, don't see or don't want to see all these blessings. My children be attentive, alert, to all these signs, graces and blessings upon yourselves, your loved ones, your family. The more you pray for your enemies, the conversions of sinners etc., the more blessings and graces will fall upon your lives.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my Blessed Virgin Mother. I thank you for your protection with your Virginal Blue Mantle upon this entire world. I love you. Sua bênção. Thank you, my Holy Trinity. I adore you. I praise your holy name. I ask forgiveness, pardon, for all the outrages and pains that we cause you through our sins. I love you. Sua bênção. Amen. ♥♥♥♥xxxx Beijinhos⁴.*

Jesus Christ

Thank you, my humble servant. Today you had a tiny seed of my pains. Yes, during my Holy Mass you knew it was my pains because of the sins caused by my children in my Holy Mass, as some of my children are at my Holy Mass and receive me unworthy of me with distractions during my Holy Mass, not believing in my real presence during my consecration, and from many, many sins of this world. Thank you for praying for my pains to alleviate my pierced Sacred Heart. You do know that it was my pains. I thank you for accepting these, my pains.
