

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7–8

### **Jesus Christ**

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary.

My little one, thank you for the prayers being said today. Although your body is still not well, you tried to do some prayers as this world is in need. You prayed in our little chapel, also for my sick children – even though you are still weak, you were asking me to help them. Yes, there are many of my children all over the world with many infirmities, in need of all kinds of healing. Yes, there is so much pain, suffering, cancer and other kinds of illness of the body, but much needed also is the healing of the soul and spirit. As my children are coming to eternity my children are praying for their loved ones, family, brothers and sisters in Jesus Christ, for the healing of the body, but very few are praying for the healing of the soul. At certain times what they need foremost are prayers for the salvation of their souls as their time is accomplished in this world. My children must pray for their loved ones, family, brothers and sisters in Jesus Christ, to save their souls. Yes, I am the healer of all my children. With me, nothing is impossible. What is impossible for man, for the Son of God it's all possible. Yes, prayers move mountains. I hear my children's pleas, crying, tears, sighs – oh my children, every prayer is answered and taken to the abode of my heart, but I have my reasons, my purpose, for each one of you, my dear children.

My Petal, my Father God, he is here to converse with you.

### **Father God**

My little lamb, I am your Heavenly Father, I am here to continue with my Son Jesus Christ's dialogue.

Oh my dear people, do not become despondent or despair in times of trials and hardships. My Son Jesus Christ carries you in the palm of his hand. When you feel your burdens are too heavy, your backpack, *o fardo*<sup>1</sup>, is too difficult to carry, know that my Son Jesus carries you upon his shoulders. If my Son Jesus Christ took up the heavy cross of all our sins, he can hold you in his loving arms – just surrender to him like a child goes to their mother or father. Speak as an innocent little child. My Son Jesus listens in the silence of his heart. He caresses you and holds your hands, like the footprints on the seashore when you only see one set of footprints. Be humble. In humility confide all your worries, fears and afflictions, but wait for his response with trust and confidence. Wait for his own

time. God's time is not this world's time. Remember, my dear people, my Son Jesus alleviated your cross but know, my people, each one of you have a cross to carry while in this world, but if you can carry your cross with love and patience, you won't feel the heaviness as my Son Jesus is with you to help you, to alleviate that burden, sickness, trial, hardship. My Son Jesus also carries the cross of your sins to save you from Gehenna but it's up to you, my people, to choose salvation. My Son Jesus never forces anyone – it's your free will.

I give you my peace, my peace I give you, your loved ones and all my people. Amen.

### **Jesus Christ**

Thank you, my Petal.

[Fernanda] *Thank you, my loving Jesus Christ. Thank you, my Almighty Father God, my Holy Spirit. Thank you for the graces and blessings tonight with the beautiful Adoration. I love you. Sua bênção<sup>2</sup>.*

My Petal, I thank you and my son Paul for the long hours in Adoration to keep me company as I am a prisoner in my tabernacle. Those hours are a balm to my Sacred Heart – the singing, praising, prostrating yourselves in Adoration to my loving heart. Oh, my church doors are closed, especially my tabernacles all over the world – only a very few are available. My children are in need of help to alleviate their oppression, depression and fears at my Blessed Sacrament, where I bring refuge and healing. Yes, my Petal, I am a prisoner waiting for a visit. Keep praying for this cause.

My Petal, my Blessed Mother, she is here to converse with you.

### **Mother Mary**

My little one, I, your Blessed Virgin Mother, I am here to converse with you.

My little one, I thank you for sitting at this hour of the morning. Yes, you need as much rest as possible but as you had some rest, your heart couldn't contain yourself, waiting for our call, as slowly you are getting much better.

I thank you, as today you could pray for one of the most needed causes that my Son Jesus placed in your heart. I thank both you and my son Paul for the long hours praying as my Son Jesus Christ waits for a visit.

Thank you for making the effort to come to my Son Jesus' Holy Mass as you know in your heart that the sustenance comes from the Holy Mass and from my Son Jesus' Precious Body and Blood. If only my children knew the joy, graces and blessings that they obtain when they assist in my Son Jesus' Holy Mass with reverence and respect, focussing especially at my Son Jesus' Consecration where my son priests have a special gift to turn a host and wine into the real presence of my Son Jesus Christ's Precious Body and Blood.

My children, if you knew the miracle of life given to you for free, you would cry tears of joy and you would never miss one day of coming to my Son Jesus' Holy Mass.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my Blessed Mother. I love you. Sua bênção.*

Thank you, my humble servant. I am your Sovereign Jesus Christ. I am your spouse, your God, Lord Jesus of Nazareth. I give you my peace, my peace I give you, your loved ones and all my children.

My child, this is the hour of my mercy. Pray the Divine Mercy for the moribunds of this hour. There are many coming to eternity without having time for repentance or asking forgiveness to the Almighty Father God and there is no one praying for these souls. Amen.

[Fernanda] *Thank you, my Holy Trinity. I love you. Sua bênção. ♥♥♥♥xxxx Beijinhos*<sup>3</sup>.
