

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My Petal, I, your Jesus Christ, I am here to converse with you.

Thank you for today, for starting with my Holy Mass. See, my Petal, if you had waited for tonight, you would never ever have made it. The Holy Spirit was showing you and my daughter Alice to come in the morning, as later there would be obstacles – as it happened. My daughter, the day is never enough to complete my work.

My daughter, you were very tired. We will continue with our conversation now....

My Petal, today you went to see some specialist. All is going to be well in my holy name. Your prayers have been heard by us here in heaven. You trusted in me, your Jesus Christ. You surrendered all to me. I am the healer of all my children's diseases, sicknesses, illnesses, pains. Seek and you shall receive. Knock and the door shall be opened. My children must also open the doors of their hearts. I will do the rest in my own time. When my children seek me, trusting, believing and surrendering all to me in a childlike way (like when an innocent child asks her mother with eyes of love for something, the mother's heart melts for her – it's the same with us, the Triune God and Blessed Mother), our hearts cannot contain that childlike sincere prayer from the heart. I, your Jesus Christ, my heart, *neu coração não fica imerte à vossa chamada*¹.

My Petal, my Blessed Mother, she is here to converse with you.

Mother Mary

My little one, I, your Blessed Mother, I am here to converse with you.

My little one, my children are in pain because of the loss of their loved one. You went to my daughter Lidia's funeral as her time is accomplished in this world. My daughter was blessed with a long life. No one stays in this world forever.

My daughter Ana Maria, I, your Blessed Virgin Mother, I am here to converse with you.

My child, I have seen your pain and sorrow at the loss of your loved one, your mother. There is a time to be born, with joy in my children's hearts, but my children must understand that one day they

¹ Portuguese to English translation: my heart is not inert to your call

will come to eternity, to the Father's house where there are many rooms. Some will die young, middle aged, old aged, even babies – there are many different ages according to the Holy Spirit, the Breath of Life. As they are born, all their lives have been mapped by the Triune God. While they live in this world, they will encounter difficulties, hardships, pains, sorrows, joy, happiness, but this is the will of God. Some accept their crosses with love and they carry their daily lives with dignity. Yes, my child, this world is not paradise.

My daughter, you had the privilege of having your loved one, your mother, for long years. My child, I, your Blessed Mother, I understand your aching heart, the loss, the void in your life, but one day, there is a meeting place, which is in eternity.

My daughter Ana Maria, I, your Blessed Virgin Mother, the Triune God, we know your trials, hardships, the aching hearts, your battles, your difficult situation, loss of income, financial struggles, but my daughter, do not despair or become despondent. Put God first in your lives. With prayer nothing is impossible.

The enemy is prowling through the world to destroy families, [to put them] against one another. Do not allow the enemy to win this warfare. Do not feed the lion, it's not worthy. Combat this warfare with my Holy Rosary, with your loved ones, your children – he will be powerless in my Son Jesus' holy name.

I bless you, your loved ones and all my children all over the world. Amen. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my loving Blessed Mother. I love you. Sua bênção*².

Jesus Christ

Thank you, my daughter. My Heavenly Father, he is here to converse with you.

Father God

My little lamb, I, your Heavenly Father, I am here with you.

Thank you for your time in prayer, for keeping my Son Jesus company as he is so lonely in his tabernacles, waiting for one of his children to come and visit, even just to say hello. Yes, there is a pandemic but at my Son Jesus' tabernacle, no one gets sick. Instead, they will be healed from all kinds of disease, sicknesses of the body, soul and spirit.

My little lamb, I will conclude Blessed Virgin Mother's message to my people.

My daughter Ana, I, your Heavenly Father, I am here to say that you are not orphaned. You have a Heavenly Father God, your Creator. You have a powerful heavenly Blessed Mother Mary as your Mother, the Mother of my Son Jesus Christ and all of you. I do know your aching heart as you grieve, mourn, your loved one. There is a beginning and an end for each one of my people upon this world. I, your Almighty Father God, I do know all your struggles, financial battles, difficulties of your every-day life. Fix your eyes upon my Son Jesus – follow him at all times. Teach our little ones the love of the Father, the Son and the Holy Spirit, then the puzzle will fall into place. Pray, pray without ceasing to us here in heaven. Pray to the Holy Spirit to guide you and to your guardian angel who was entrusted to you as you were born.

² Portuguese to English translation: Your blessing

Know, my daughter Ana, in this own time, my Son Jesus will alleviate your burdens, your hardships. Be silent and listen to my Son Jesus' inner voice within you for the right path of life. Let my Son Jesus be the captain of your boat, then all will fall into place. My Son Jesus' Holy Mass and the Holy Rosary are the keywords for love, peace, tranquillity and unity within you and your loved ones.
