

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

### Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My little one, I, your Jesus Christ, I am here to converse with you.

My Petal, today, my Sacred Heart is pierced with a crown of thorns. My children don't comprehend or understand these, my pains. Yes, the enemy is tricking my children into sin – murders, killings, disunity in families, divorces, abortions – disintegrating my children's souls. Oh, if only my dear children would be protected with prayers, the Armour of God – Ephesians 6, Psalm 91, Psalm 23, Psalm 54<sup>1</sup>, praying the Holy Rosary as a family and my Holy Mass. My dear children – there is so much damage done upon their souls – my children, they live in a dark place of their souls. What a confusion that my children are living with within themselves, allowing the enemy to take control of their lives. My heart is pierced because I have given my children the tools for their protection, but they are too occupied with the material things, with this modern technology, listening to the news, taking the focus away from what should be their protection. Yes, there is time to watch many different things on the television, on this technology, mobile phones, but there is not even one hour for me, Jesus Christ, the Saviour, and my Blessed Mother with her Motherly love. She has been asking throughout the years, year upon year, to pray the Holy Rosary, the weapon that Satan hates. Every Hail Mary is a thorn upon every evil in my children's lives.

My Petal, my Father God, he is here to converse with you.

### Father God

My little one, I, your Heavenly Father, I am here to relay a message.

My people, my own creation: where are my people turning to at the moment? My wrath has a turning point unless my people... I repeat the same words: where are you going with your souls? What do you do to save your souls? I watch my Son Jesus going through the same pains as he walked to Calvary, carrying the cross of your sins. My people, don't turn your back on our teachings. My Son Jesus left the Apostles to teach the ignorant to know the meaning of God the Father, God the Son, God the Holy Spirit. How many of you don't know the meaning of the Holy Trinity, the Triune God? All this has been given to you for free but you, my people, turn to the other side if my faithful ones are teaching, helping, to see the light of Jesus Christ, the Saviour. Yes, some of them mock and

ignore the ones whom my Son Jesus left in this world to bring the lost sheep, the flock, to reason [about] the desires of my Son Jesus. Oh, many souls are lost every second of the day.

My dear people, do not fear to teach my people if they don't know my Son Jesus Christ. Do not be afraid of persecution, it's all about saving souls, to bring them from the dark to the light. Yes, my people don't believe that my Son Jesus Christ's Second Coming is near – yes, soon, soon. My people be prepared at all times for your last breath on earth. This is a warning for your Almighty Father God. Do not ask many questions but live a simple life within your heart. These are my solemn words. Do not fear these, my words, but always be attentive to the true meaning of these, my solemn words.

I give you my peace, my peace I give you, your loved ones and all my children. Amen.

### **Jesus Christ**

Thank you, my Petal. My Blessed Mother Mary, she is here to converse with you.

### **Mother Mary**

My little one, I, your Blessed Mother, I am here with you.

I thank you, my little child, for this day of you helping these, my children in despair, even though you are still not well. Thank you for praying for my daughter \_\_\_\_\_ as she was not in a mental state within herself. Yes, something major could have happened at that precise moment. Your prayers and my children Alice and John's at that precise moment, were the key to stop any more profound danger. Yes, my child, even prayers from afar move mountains.

Oh, you heard about my son \_\_\_\_\_, about what happened to him. See, the enemy was furious as he tried to break their marriage. Through prayers this marriage was saved. But my children, after that they stopped what was more important – Holy Mass and praying the Holy Rosary etc. The enemy Satan found a gap to come and destroy the peace of these, my children, through interference. My son \_\_\_\_\_ fell into the trap of using the weapon to cause huge damage, a death, against my Son Jesus's holy will, through anger, bitterness etc. Their lives are in so much pain.

Oh my dear children, be strong in prayers as the enemy Satan's time of terror has almost ended. This is the time of the most danger upon my children as the attacks are severe. This is a warfare – mine and Satan's warfare is in the air. My aim is to bring souls to my Son Jesus' Kingdom, but Satan's intent is to destroy souls. Be aware, my dear children, of these signs.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen. Thank you, my Petal.

[Fernanda] *Thank you, my loving Virgin Blessed Mother. I love you with all my heart. Sua bênção. Thank you my, Holy Trinity, my Heavenly Father, my Creator. Thank you, my loving Jesus, my Saviour. Thank you my, sweet Holy Spirit, my Breath of Life. I love you. Sua bênção. Amen. ♥♥♥♥xxxx Beijinhos<sup>3</sup>.*
