

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Measure your conscience as you measure earthly things – always be prepared to meet your Creator because purgatory and hell are real

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My little one, I, your Jesus Christ, I am here with you. Thank you for sitting with me, your Jesus Christ.

Today you had a fruitful day as my children took you and my daughter Alice for out for something to eat, for breakfast. I thank my children Lidia and George for their gesture, their kind hearts and for all the help they have given to our Alpha and Omega Mission in donating all the [cleaning] chemicals and many other items. I will bless them abundantly. They have given freely from the heart.

My Petal, you heard some of my children with aching hearts, what they are going through in their daily lives. Oh, if only my children would focus on prayers instead of panicking and despairing. As you told them about St Padre Pio while on earth, they must worry less and pray more. Yes, my Petal, I do see and understand the trials and hardships of this world. These are the times for my children to focus more on being thankful for what they have, for their graces and blessings. Even in bad and good times, my children are living in expectations of tomorrow, having more than they can afford. They must appreciate what God has given them, even if it seems little or not enough – with God, the little can be big. If they allow themselves to focus on me, Jesus Christ, I will retribute them according to my will.

My Petal, my Father God, he is here to converse with you.

Father God

My little lamb, I, your Heavenly Father God, I am here to relay a message.

Oh my dear people, where are you at this precise moment in your lives with God? Where are you focussing? On your own misery or any other material things? Are you praying to your God, Almighty Father God, your Creator? Are you thanking him day and night for his creation, for everything upon this world? Are you looking within yourselves, in your heart? Are you against my Son Jesus Christ and his Father God because of the loss of your loved ones, the loss of your material things, the loss of your financial status? Oh my dear people, are you concerned about the salvation of your souls as you are concerned about the things of this world? My dear people, from the beginning of time there have been losses, pains, trials, tribulations, wars, famines. My dear people, time is running out. Measure your conscience as you are measuring the earthly things. Are you at peace with your neighbour, your family, loved ones? Have you forgiven your enemies? If anything had to happen to

you at this moment (as you don't know the day, the hour, the time of your last breath on this earth), are you ready to meet, face to Face with your Creator? Yes, my people are saying, "When I die, all ends here in this world, there is no more suffering in eternity." No my dear people, you don't know the state of your soul if you don't live a life in this world [according to] my teachings and commandments, and my Son Jesus Christ's.

My dear people, there is heaven, which is a beautiful paradise. Strive for this paradise, to live there for eternity. There is purgatory, which is a purification for your soul. Yes, many of these souls are there for many, many long years. It's a suffering, not as severe as hell. Only prayers and Holy Masses for these souls to come to heaven can alleviate them. Oh my dear people, hell exists. Don't ignore this existence. Oh, it's horrific, painful. These souls are in excruciating pains.

I give you my peace, my peace I give you, your loved ones and all my people. Amen.

[Fernanda] *Thank you, my Father, my Holy Trinity. I adore you. I love you with all my heart. Sua bênção¹.*

Jesus Christ

My Petal, my Blessed Mother, she is here to converse with you.

Mother Mary

My little one, I, your Virgin Mother, I am here with you, my child, to conclude our Heavenly Father's message to my children.

Our Almighty Father God loves each one of you unconditionally. His love endures forever with his Only Begotten Son Jesus, as he gave his Son to die for you. This is unconditional love that you, my children, take for granted, not appreciating all this eternal love.

Our Father allowed me, entrusted me with this task to explain to you, my dear children, about hell. Oh what a terrifically horrendous obscure place to stay for eternal life. My dear children, hell is a torment where the souls are groaning, screaming, smelling horrific smells, suffering, as their bodies are on fire, internal fire.

My children, my little shepherds Francisco, Jacinta and Lucia in my apparition in Cova da Iria, Fatima, I showed them what hell looks like. Yes, they were very young, innocent little ones. Oh they made sacrifices and prayed Rosaries for these souls. Oh, they asked me to show the world hell, for my children to fear sin and to pray, to repent, to forgive. Yes, my children, my Son's teachings, the Holy Word, the Bible – all has been written there. My children must believe and follow my Son Jesus Christ's teachings. Don't doubt as St Thomas did, but believe without seeing. Oh my dear children, we are not putting fear upon you, but fear your sinful lives. Amend, repent, convert: Confession, fasting, praying the Holy Rosary, the weapon for your salvation. Forgive from your heart not from your lips, love and pray for your enemies, then you will have eternal life in heaven.

I bless you, your loved ones and upon this entire world. Amen. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my Blessed Virgin Mother. I thank you for all your sacrifices, interceding to your Son Jesus Christ for each one of us, your children. Amen. ♥♥♥♥xxxx Beijinhos².*
