

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

People don't obey God's laws, which bring healing, protection and salvation, yet they follow manmade laws that bring the opposite

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My little one, I, your Jesus Christ, I am here to relay a message.

My children are debating, confused within themselves, about tomorrow, about the vaccine, about manmade laws and enforcement, but the Word of God, the Holy Bible, my teachings, my Holy Mass, the Lord's Day (Sunday) and the Holy Sacraments given to them to follow and to receive them are also my desire. The teachings of heaven are mandatory, obligatory, upon my children, but my children are not listening, not fulfilling this obligation. They don't take it seriously. As they are taking the vaccine, my children only focus on this subject, only obey and listen to what they are saying. Oh, how I desire my children to obey the commandments of heaven, the Word of God, the teachings for their salvation. The vaccine is not their salvation, their healing, but the healing to save their souls are the laws of the Father, the Son and the Holy Spirit. "If you believe in me," says the Lord Jesus Christ, "You will have life in abundance, healing and protection all the days of your life." Fear your Lord your Jesus Christ, your Creator Father God, your Heavenly Father who takes care of you, your Saviour who brings healing upon your souls. If I don't heal the body, I will heal the soul, which is far more important for eternal life.

My Petal, my Father God, he is here to converse with you.

Father God

My little lamb, I, your Almighty Father God, I am here to relay a message.

My people are living in denial within themselves. They are in a cocoon of their own [minds], listening to what they want to hear. My people are living in fantasy, in their own minds. Oh, they close their ears to the truth when it comes to hearing about God and about Confession etc. They mute themselves to the world as my people, my faithful ones, are trying to divulge the teachings for the End of Times, my Son Jesus' Second Coming etc. They are not interested in anything about saving their souls: it falls on deaf ears. Oh, they fear these solemn words, but they don't fear sin. And fear of Confession: as you saw today in the media, on this modern technology, about my people not believing in Confession, saying that they confess directly to God and do not need to go to a priest. Thank you, my little lamb, for replying to them. Our teachings are that the absolution of sins come only through the Sacrament of Confession, through my son priests – they are my Son Jesus Christ's representatives in Confession. I repeat: my Son Jesus Christ is in Confession to absolve your sins for

your Book of Heaven to be clear of your sins. Until then, the sins are still in the Book of Heaven. These are your Heavenly Father God's solemn words, your Heavenly Father who loves you. You are mine. I desire your salvation.

I give you my peace, my peace I give you, your loved ones and upon this entire world. Amen.

Jesus Christ

Thank you, my Petal, my Blessed Mother, she is here to converse with you.

Mother Mary

My little one, I, your Blessed Virgin Mother, I am here to converse with you.

My little Andorinha¹, I, thank you and my son Paul for the prayers and help given to these, my children N_____ and A_____, he was in need of prayers for his cancer. My Son Jesus has given him time for healing. He is going for the test as he has gone before and my Son Jesus' healing hand was upon him. Yes, these my children were lost, far from my Son Jesus' Sacred Heart. My son Paul Timp has been their help on their journey of healing of body and soul.

...private message removed...

My son N_____ has been set free from unforgiveness of the past, of many years of holding onto unforgiveness, bitterness and resentment. Thank you for helping him to see the light of my Son Jesus.

The beautiful music of our Father and the Blessed Mother is all about touching the realm of heaven with all those melodies to soothe my Son Jesus' pierced Sacred Heart. Oh, my children, when they use or sing songs of vulgar language, it pierces my Son Jesus' Sacred Heart and my Immaculate Heart. Oh, our Father God sees all this done towards his Son Jesus, all the blasphemy against our God. They are merciful and compassionate towards their children, but the wrath of God is also painful towards his people if they don't amend or repent.

I bless you, your loved ones and all my children.

[Fernanda] Thank you, my Blessed Mother. I love you. Sua bênção². Thank you, my Heavenly Father, my Jesus Christ and my sweet Holy Spirit for all the blessings and graces, for forgiveness upon us sinners. I love you. Sua bênção. Amen.

Jesus Christ

My little Petal, I, your Jesus, I thank you and my son Paul for the help, body and soul dedication in helping my son _____ in the most need of help. He is healed in my holy name. Oh, the prayers upon him as he is a nonbeliever... he said that he felt it, the power of God upon him as you both went out of your way to help and pray. My daughter Jean has also been there for him in times of loneliness.

I give you my peace, my peace I give you, your loved ones and all my children. Amen.

♥ Our heart from heaven. Amen.
