

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7–8

### Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary.

My Petal, I, your Jesus Christ, I am here again to repeat, repeat, the same words as my stubborn children are causing these, my living words, to be repeated many times. Yes, this is a constant pain [upon me], caused by my children as they are living in sin upon sin, in darkness of their souls. Their daily lives are in so much danger as the time is running out. Yes, my children can die at any time as they don't know the age, hour or day, when they will come back to the Father's house. Yes, many are dying with this virus, disease. Many are also dying from other kinds of illness, infirmity, as they have been dying from before, but my children don't want to hear or think about their last hour on earth, if they are in a state of grace to face the Face of God, the Creator. Millions of people are dying every day – yes, also before the virus, many, many, have been dying. This world is a passing by. As you, my Petal, were saying to my children that your loved ones, family, the past generations, are all in eternity, and you also don't know how long you will live on this earth – neither do your loved ones who are alive. Yes, my Petal, as you have been saying, you are also on the same road, journey, for one day to come to eternity. No one will live on this earth for eternity. How my children fear death? As they are born, they are also [going] to come back to eternal life. Yes, my children must fear the Black Book of their life to be read out in front of my Father's throne with me, Jesus Christ, the Holy Spirit, and Blessed Mother, as she is always with me, her Son Jesus Christ.

My little one, my Father God, he is here to converse with you.

### Father God

My little lamb, I, your Heavenly Father, I am here to relay a message.

Oh my people, the cleansing of your souls: you continue in the same [way], you don't want to clean your "home", your soul, the eyes of your heart that need to be pure as crystalline water. How long? Can my people open the eyes of their hearts? Here in heaven, we wait for that change. We are very patient towards my people, as we have been asking my people, but the long wait is getting out of control.

My child, my little lamb, my people have been asking for prayers, graces, as you have been praying over long distances on the phone for some of them. Many others are in the in the same situation. Yes, my people want blessings, graces, but they are living in sin, living as a husband and wife, not

cleaning their iniquities, not cleaning the slate of their souls. Yes, in today's times, all over the world, they are doing the same. They need the blessings of the Father, the Son and the Holy Spirit, upon their lives together. My little lamb, I, your Heavenly Father, desire my people to be in a state of grace at all times, with a good, sincere Confession: the tool of the cleansing, to purify their soul, mind, body and spirit.

My little lamb St Padre Pio is here to converse with you.

### **St Padre Pio**

I, St Padre Pio of Pietrelcina, your brother in Jesus Christ...

My little humble servant of Jesus Christ, this week, two days ago, it was my feast day. I, St Padre Pio, I say thank you for the love and devotion towards me, telling my brothers and sisters in Jesus Christ about me. Yes, on earth, I was suffering tremendous pains as I suffered the pains of Jesus Christ, the stigmata. Oh, I was celebrating our Lord Jesus Christ's Holy Mass with intense love, in humility and respect for the gift bestowed upon me by our God, Lord Jesus Christ. I accepted all those pains with love. As I celebrated the holy sacrifice of the Mass, I had the privilege to see our Lord Jesus on the Blessed Host. Yes, it was not a wafer, but the real presence of our Lord Jesus Christ. Today, my brothers and sisters in Jesus Christ don't acknowledge this great miracle of the Body and Blood, Divinity, of our Saviour Jesus of Nazareth.

Oh, my dear children of God, the sacrifice of the Holy Mass must be respected, at all times genuflecting – it is very prominent. Our Lord Jesus Christ's, Body, Soul and Divinity is your sustenance, your strength, courage and protection at all times. When you are at the Holy Mass, sit with respect, not with crossed legs or your body stretched out on the bench, focusing at all times on the altar as the priest is celebrating. Pray for all the souls that are around the church, waiting for the Holy Mass, as some of them, while on earth, never came to the Holy Mass. Oh, they wish to tell their loved ones not to make the same error, fault. Yes, offer your petitions before Mass for your guardian angel to present to our Lord Jesus Christ. Oh, many souls are inside the church during the sacrifice of the Holy Mass, yearning for their salvation, as many of these souls have no one to pray for them.

My sister in Jesus Christ Fernanda and my brother Paul Timp, thank you for coming to my holy grounds of St Padre Pio to pray, to Holy Mass, Adoration of our Lord Jesus Christ, and to Confession. Thank you for the lovely greetings, the smiles. Yes, I did see you as you acknowledged me.

Oh, pray for the Lord Jesus Christ's shepherds, priests, cardinals, bishops, all the lay people who are servants of God, for the holy pope Francis who is persecuted much as the enemy is attacking our Lord Jesus Christ's Church. Yes, I, St Padre Pio, was very bruised, attacked, by Satan in many ways as a servant of God. There is so much pressure, persecution, upon the Lord Jesus' Holy Church with many interferences, oppression – as you are aware of in the secret given to you. Pray the Holy Rosary as much possible for the restoration of the Holy Church.

I bless you in the name of the Father, the Son and the Holy Spirit. Amen.

[Fernanda] *Thank you, my St Padre Pio, for this grace and blessing that I am not worthy of – to converse with a powerful saint of heaven. Amen.*

### **Jesus Christ**

Thank you, my Petal. My Blessed Mother Mary, she is here to converse with you.

### **Mother Mary**

My little Andorinha<sup>1</sup>, I, your Virgin Blessed Mother, I am here with you.

Thank you for today, and to my daughter Alice, for this time today in prayer upon these, my children, my family, Lenita and family, in need of healing. Today was a day of rest and to pray to us here in heaven. Thank you for the Baptism this little miscarried one, who has also been given a name through the prayer of baptising the unborn, the aborted babies and the miscarried<sup>2</sup>. Yes, these little ones need a Baptism and a name. Yes, with this prayer my children can baptise many of the little babies who were aborted or miscarried, in the name of the Father, the Son and the Holy Spirit. Amen. I thank my children Lenita and Miguel for choosing me, Blessed Mother, and St Joseph as godparents. Teach this to my children.

My little one, this world needs prayers, Rosaries. The Rosary is the greatest weapon to combat the warfare with the enemy. The warfare started long ago. I will crush the serpent, the enemy's head, but I need all your prayers to help me, as the enemy is fiercely attacking without my children's understanding. Oh, fasting, fasting! As I asked you before, my children: fast and pray the Rosary, it will weaken the enemy attacks. Yes, my child, as I have asked you before, bread and water on Wednesday and Friday, but I have given you which days to fast besides these ones for that specific reason. My little one, this is the most important time, more than ever, to pray for this cause. Be obedient, my child. "Sacrifice" is the key word for the servants of God. My Son Jesus Christ will preserve you for this mission, for the honour and glory of my Son Jesus Christ.

...private message removed... (for the Church, priests etc)
