

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7–8

## God explains that this forced vaccine, with side effects to come, is against his will – so too is the scattering of the ashes of the dead

### Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary.

My little one, today you and my prayer warriors were very occupied. Yes, my children are in so much need of prayers, healing, in many different areas. They are living in fear, uncertainty, about tomorrow. Oh, this world! They are focusing only on the vaccine, like it's the last resort in their lives. They are forcing my children to have it against their will. In turn, my children are in fear and think that there is no alternative to continue living in this world. No, my children, this virus is not from God: it's manmade. In time to come, my children, the world, will see the truth as to what is behind all of this. Oh, the side effects! The world doesn't believe the Word of God, the parables written in the Holy Bible. My children are not putting their faith in their only true God, Lord Jesus Christ, the Saviour. My living Word was written more than 2,000 years ago by my Apostles. Today, very few believe or read the Holy Bible or follow the Ten Commandments. My dear children, put your trust in your God, your Lord Jesus Christ. In this world, there were many viruses, diseases – deadly diseases, viruses – but there was no vaccine or forcing of my children to take it. Time will heal, as has happened before.

My Petal, my Father God, he is here to converse with you.

### Father God

My little lamb, I, your Heavenly Father, I am here with you.

My little lamb, I, your Heavenly Father, I thank you for today as my son \_\_\_\_\_ came here and my sons Kelly, Derek and Mike were helping him with many addictions, anger, resentment, unforgiveness and guilt over his brother Greg's death. Thank you, my little one, for helping my son \_\_\_\_\_ to be free from the guilt of his brother's death, to speak from his heart, to let go of the pain. Yes, you do know and understand the realm of heaven as you have told my son \_\_\_\_\_ what to say to his brother in eternity, to say all that was causing so much pain. You told him that Jesus in heaven sees it all and that his brother in eternity wants his forgiveness for what happened while his brother, my son Greg, was on earth. That prayer from his heart directly to heaven was the release of his brother in eternity and of him on earth. As you called Mother Mary, she came to the rescue of these, my people, to set them free. I will help my son \_\_\_\_\_. He must open his heart completely as my Son Jesus' heart is open to receive him. He has been astray like a prodigal son. His loved one,

brother, with his love, will bring him to the salvation of his soul, forgiving one another as blood is thicker than water – forgiving one another for the past issues. Then he came to rescue his loved one. I will bless the peacemakers, as the enemy, his aim, is the opposite – he is prowling through the world to destroy as many souls as he can.

I give you my peace, my peace I give you, your loved ones and all my children, my people. Amen.

[Fernanda] *Thank you, my loving Almighty Father God. I thank you for your time spent here with me, your tiny instrument. I am not worthy. I am a sinner. Thank you, my Eternal Father. I love you. Sua bênção<sup>1</sup>.*

### **Jesus Christ**

My little Petal, my Blessed Mother, she is here to converse with you.

### **Mother Mary**

My little Andorinha<sup>2</sup>, today you are not so exhausted that you needed some rest.

My children were talking about my children being cremated and then keeping the ashes of their loved ones at home, sharing the ashes amongst their loved ones. My children must know, as my Son Jesus has said to you before: cremating my children is not a sin, but the ashes of their loved ones must not be scattered, they must be buried in a cemetery or in the wall of remembrance of the church. They must not keep the ashes at home. It must be at the same time as when it's the funeral and when my children are buried in the cemetery. The ashes are not to be kept at home as an ornament – they have to have the same closure as when they are not cremated but buried.

My children are fearing in these difficult times to go to the cemetery. Oh, they don't need to go: as soon as the funeral is over, the soul is not there anymore, only the body, which will decay very quickly. My children don't have to feel guilty for not going there. What their loved ones need is their prayers for their souls in as much as is possible of their time. Yes, as my Son Jesus has said to you, it's not a sin to be cremated, but it's written in the Holy Bible to bury the dead. Yes, my Son Jesus Christ said that to you, but I want you to be buried, my Andorinha.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my loving Blessed Virgin Mother. I love you. Sua bênção. Thank you, my Holy Trinity. I am your humble servant, your peasant. Thank you for this gift. I give you my will, my love. Use me, mould me, make me always humble to serve you with all my heart. I love you. Sua bênção.*

### **Jesus Christ**

Thank you, my Petal for your will. I love you and all my children. Pray for the conversion of sinners.
