

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Many today cannot see the filth on their souls and the pains to come
– no harm will come to those who truly love God and follow his way

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My Petal, I, your Jesus Christ, I am here with you.

My Petal, you saw and heard in the media how this world is in controversy, corruption, greediness and gluttony of money, how the enemy is controlling my children. Yes, if only my children would pray the Holy Rosary and come to my Holy Mass, they wouldn't be prey to the enemy's temptations. Oh, they [will] face judgement, a severe one, but the power of money is their key of many lies to condemn their souls. Yes, here on earth there are court cases, judgements, and sometimes they still come out free, but their souls are not free, clean, before coming to eternity. Oh, unless they come with the Illumination of Conscience and clean their souls with a good, sincere Confession, oh, many souls fall into hell like snowflakes as they come to eternity with this pack of garbage upon them. My children are the prey to fall into this kind of sin. I see the time is approaching and my children still live under the roof of sin. Oh, what an absurdity of my children's subsistence, of stubbornness of heart. If only my children would comprehend the meaning of these loving words! I, your Jesus, I thirst for these souls, the tepid, lukewarm souls.

My Petal, my Father God, he is here to converse with you.

Father God

My little lamb, I, your Heavenly Father, I am here again and again to convey the same message as my people are in controversy of their own words, as they are continuously going towards the wrong path of life. Yes, the means of this war, tug of war, with the enemy Satan, fighting to gain souls, oh, my dear people, look around you – the surroundings of your soul, the body and spirit are corrupted in many ways. I, your Almighty Father, I am continuously fighting for you to open the eyes of the heart. But we can force your will – oh, there is going to be a painful time in your lives as my Son Jesus' Second Coming [approaches]. Many of you don't believe it. My people are running away in despair from country to country, but even if they go to the top of the roof, the avalanche will get there. Be steadfast, strong, with your love and devotion towards us. The Triune God and Blessed Mother will reach out to your call. Hold on to your crucifix [with] the Holy Rosary in your hands.

Always have these weapons with you, it's your protection, your shield, and the Armour of God (Ephesians 6), Psalm 91 and 23¹. No harm will come to you and your loved ones.

I am a merciful, compassionate Father, but your will is the source of this protection that you choose, your obstinance² of understanding is your anchor to save you from any dangers.

I give you my peace, my peace I give you, your loved ones and all my people.

[Fernanda] *Thank you, my loving Father God, my Holy Trinity I am yours. My will belongs to you. I love you. Sua bênção*³.

Jesus Christ

Thank you, my Petal. My Blessed Mother, she is here to converse with you.

Mother Mary

Thank you, my little one. I, your Blessed Mother, I am here to relay a message.

Today you went with my daughter Alice and many of my other children on this safari to see the creation of our Almighty Father God, his beautiful creation, all kinds of different animals. Oh, each one of them, there are different ones within their own creation, a special gift from our loving God. Each animal is very special, with a different element of intelligence, as you saw how the mothers naturally protect their own little ones, children. Our Almighty Heavenly Father created everything meticulously in perfection, as my son the tour guide was explaining how every one of these wonderful animals live, how they behave, to be treated with respect and love. Oh, many of my children never experienced this special gift of nature from our God to humankind. Our Ultimate Father God created the humans of this universe, world, with the same intense love and zeal, but my children turn the other way from our God's desire for each one of his children to live in this world according to the desire of his loving heart. How my Son desires this world to be in the utmost peace between one another, to inhale the breath of life given to them for free, but it's all taken for granted, never being appreciated.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my loving Father, my Ultimate Father God, for being my Heavenly Father. Thank you, my loving Mother for accepting your trials, tribulations, hardships, your task, for saying yes to being the Mother of our Saviour and our Blessed Virgin Mother, to take care of us, your children. Amen. I love you. Sua bênção. ♥♥♥♥xxxx Beijinhos*⁴.

Jesus Christ
