

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7–8

### Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Virgin Mother. Thank you, my daughter, for sitting with me, your Jesus Christ at this hour of the morning.

Thank you for these two hours in prayer in our little chapel, praying with the melodies of the special music to embalm my heart at this time of so many happenings around the world. Yes, my Petal, my children don't want to absorb my solemn words – the determination and conviction of their hardened hearts! Only my faithful children can embalm the wounds, thorns, of my heart. Yes, I thirst, cry, for the conversion, conviction, transformation of their hearts. I see the time is running out. I am a very patient Lord Jesus Christ, but many of them are ignoring the big warning. My heart pounces, breaks, as I do know how my hand will soon come down unless I see my children opening the eyes of their hearts. The calamity, the Chastisement, is severe!

My little child, yesterday was the burial of my son João (Johnny) Grota. I thank my daughter Alice, her children Rob, Paul and Cindy, Sheena, Mark and her grandchildren, for the harmony, peace and love amongst them, for understanding the will of God the Father, God the Son and God the Holy Spirit. We, the Triune God, were there as the Three-in-One Persons Undivided, to be joined at the beautiful Holy Mass and [in the] calmness and tranquillity, where the peace was visible. That's how my children should accept death. Yes, there is a time to mourn, to grieve. Yes, my daughter Alice was thanking us here in heaven for the life of her loved one on earth with graces and blessings. Yes my children, trials, tribulations and hardships are also part of my children's lives as this world is not the promised paradise. Yes, the closing of this long-term business where my son João worked for many years, but in this life, there is always a reason for an epoch to end according to my holy will. There is an end for everything in life – [it was] time for my son to come to eternal life.

My daughter Alice and our children, loved ones, you are all in my care, under my umbrella. I will never abandon or forsake you. Thank you, my daughter Alice, for your time and dedication in serving me, your Jesus Christ, in my harvest. I have seen your sacrifices, dedication and [efforts] to help your loved one to come closer to my heart.

My Petal, my Father, he is here to converse with you.

### Father God

My little lamb, I, your Heavenly Father God, I am here to convey a message.

Oh my dear people, I, your Almighty Father God, I am here again and again to remind you that you all belong to me, to the Father's house one day when your time is accomplished on earth, that I take good care of you in the Father's house. I have a special place, house, home, for you, but very few while on earth strive to come to this beautiful home being prepared for you. But when my people come to eternal life, many of these beautiful homes are closed for them because, while in this world, they stepped aside from entering this beautiful home, they followed the wrong direction, the unforgiveness, hatred, anger, rage within themselves, against one another and not the Ten Commandments. Oh my people, they pray the Our Father prayer, but they don't follow the words, the meaning of "Forgive us our trespasses as we forgive those who trespass against us." Oh, how my people are so blinded in repeating these words. My people must know that when my Son brings them in front of my throne to be judged, in the Book of heaven, all is written there. They will see all their sins in front of them and for the ones that they have confessed, the book will have blank pages. Oh, they will ask me to forgive them and I, their Father God, will ask, "Did you forgive your enemies on earth? How can I forgive you if you didn't forgive them?" and [about] many other horrendous sins if they haven't been confessed with a contrite heart. Yes, there is a beautiful home in heaven, paradise, but it's very painful to see my own people whom I love dearly being condemned to Gehenna.

I give you my peace, my peace I give you, your loved ones and all my people.

[Fernanda] *Thank you, my loving Father. I adore you. I praise you, I glorify your holy name, my Holy Trinity. Amen.*

### **Jesus Christ**

Thank you, my Petal. My Blessed Mother, she is here to converse with you.

### **Mother Mary**

My little Andorinha<sup>1</sup>, I, your Blessed Virgin Mother, I am here to convey a message.

My child, these past few days have been very occupied as my daughter Alice Grota's loved one, husband, came to eternal life. This entire family have all been in pain. Yes, death is always a sadness, grieving, mourning that my children undergo in their lives. Yes, when my children are born, there is joy, happiness, a new life, a new beginning, that comes into this world. As the Holy Spirit gives them the breath of life, there is always a time when he also takes away their breath of life as their time in this world has ended, as their task, mission, entrusted to them, is accomplished and they come back to the Creator, our Father God's house. My children go through so much pain, but my Son Jesus, in his own time, will heal those wounds. My daughter Alice and our children, grandchildren, your loved one, spouse João, his mission, task, his purpose given to him when he was born, terminated in this world. It's his time to be in the Father's house, in my Son Jesus' loving arms. The Banquet of the Lamb is a beautiful place to live for eternity. Continue to pray for your loved ones, family, for the conversion of sinners, as this world is in turmoil, chaos. I, your Blessed Mother, I will protect you and your loved ones with my Virginal Mantle. Do not fear the future. My Son Jesus, he is in control upon you and this entire world.

I bless you all, my dear children. Thank you for responding to my call. Amen.
