

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

All power comes from the Triune God when we pray, not from ourselves: Jesus Christ is our Saviour and healer, there is no other

Father God, Holy Spirit, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter, for sitting with me, the Holy Trinity – the Father, the Son and the Holy Spirit – and my Blessed Mother Mary.

My little one, our humble servant, thank you for all the prayers, Rosaries and Divine Mercy Chaplets being prayed for the ones in need of help, for my daughter Celeste – you love her as your own daughter, your godchild. All the prayers have been heard by us here in heaven.

My little one, the world is turning in a different dimension as my children don't focus on me, Jesus Christ, the Saviour of the world, the healer. As my sick children are suffering with so much sickness, infirmities, they must focus on me, the true and only God Almighty, the Heavenly Father, the Holy Spirit who lives within my children. Yes, my children, focus on different gods. We, the Triune God, we are the highest of heaven and earth.

Father God

I, the Heavenly Almighty Father God, I came at this hour for you, my people, to know that there is a time to be accomplished in my people's lives while they are in this world, but very few are doing or do their task according to my Son Jesus' holy will. My people must serve one God, the Creator.

Prayers move mountains, the power of prayer that comes from heaven to heal my sick children, my people, from their infirmities [of] body, mind and spirit. My people are only instruments, channels, to be used in my Son's, the Father's, holy will.

Holy Spirit

I, the Holy Spirit, in conjunction with the Father, the Creator, my Son Jesus Christ, we are the Three-in-One Persons Undivided, Undeified to complete the power of heaven and earth. While my children live, I live within them as the Breath of Life. Oh, very few call me, the Holy Spirit, for help and guidance, for teaching them the fire of my love. I, the Holy Spirit, remain within you until the last breath of your life.

Father God

Yes, my people can pray, pray, calling us, the Triune God in times of desperation, despair, despondency, sickness, but remember, all that happens in your lives, the miracles, healing,

protection etc. comes from the Father, the Son and the Holy Spirit¹. Oh, if only you, [my people], knew the power of the Holy Trinity, you would never pass a day without your heart, your mind, being upon us.

[Fernanda] *I thank you my sweet Holy Spirit, my Heavenly Father, my loving Jesus, I thank you for everything in my life. I am a tiny instrument, channel. Use me the way you want me to be your servant. I am the clay, you are my potter. I love you. Sua bênção*².

Mother Mary

I, your Blessed Mother, the Mother of my Son Jesus (your healer, your master physician, the healer of all your sickness), my little one, I, your Virgin Mother, I am here to relay a message as we couldn't converse yesterday. You were exhausted. I allowed you to rest. Yes, you are praying for my daughter _____. You know in your heart as my Son Jesus placed it.

My little Andorinha³, soon, it will be clear as my children are in the dark. The Holy Spirit, the Holy Trinity, is bringing my children to awareness of the darkness of this world in prejudice. There are many more hidden agendas from this world: the killings, the crimes, abortions, family feuds, governments secretly plotting many sins against the will of God, corruption, Satanism and cults are destroying the good in my children. Oh, heaven watches all these horrendous crimes, sins, against heaven. Oh, the Vatican, my Son Jesus' Holy Church, my shepherds! My shepherds are in need of many prayers. My Immaculate Heart with my Son Jesus' Sacred Heart bleeds for the salvation of my children of this chaotic world.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my Blessed Virgin Mother. I entrust your daughter _____ under your Virginal Mantle. I love you. Sua bênção*.

Father God

My little lamb, I do know your heart. Surrender all to me: the Father, the Son and the Holy Spirit.

...private message removed...

I give you our peace: the Father, the Son and the Holy Spirit, amen, to you, your loved ones and all my people, my children. Amen.

[Fernanda] ♥♥♥♥xxxx *Beijinhos*⁴.

♥ Our heart from heaven. Amen.

¹ The context here is that someone Fernanda had encountered was incorrectly thinking that his prayers were "powerful", not seeing that he is just a mere instrument and that the healing comes from the Triune God.
