

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

In these end times, do not fear, but pray and trust in Jesus, your Saviour, then all will be well and you will be protected

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter Fernanda, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My little one, I, your Jesus Christ, I am here to converse with you. My little one, I, your Jesus of Nazareth, I am here to relay a message.

Yes, there is so much pain when there is war in this world. At this point in time, in Ukraine, as I have said today to you during my passion, there is also so much atrocity done upon my innocent children, little ones during this time of war – torture, killing my defenceless children, raping them (oh, what a sinister crime), absurdities done, abuse, putting so much fear in them, hunger, famine. Oh, there is much – horrendous pains. My children must not fear, but pray and trust in me, Jesus the Saviour.

My little Petal, thank you for today, for taking, alleviating some of my pains.

Yes, my Petal, there is a time of joy and a time of pain. I gave you the gift of joy where you were dancing like a little child, as if you were a little girl, with your friends, brothers and sisters in Jesus. I allowed you to be little, a little, little child that pleased me with the warmth of your love.

Yes, my daughter Sarah also experienced some of my pain. You both were in a total pain of my passion. Remember: I gave you only a tiny seed of my excruciating pains. Yes, my little Petal, the pain of my lower back and in front was unbearable, as you were feeling. Yes, both of you were experiencing that – it caused so much pain as I had to hold myself not to asphyxiate. Oh, what a pain that my children will never know the extent of – those horrific pains!

My Petal, my Father God, he is here to converse with you.

Father God

My little lamb, I, your Heavenly Father, I am here to relay a message.

Today my Son Jesus allowed you to experience and feel his pains. My people carry on with their daily lives and very few focus upon this mystery of God, not appreciating it and taking it for granted. My little lamb, my Son Jesus also allowed my daughter Sarah to go through the same pain. Yes, thank you, my daughter, for accepting those pains. Yes, the hair, the balm for my Son's Sacred Face... I thank my people being there with you both.

Oh my daughter Sarah, do not fear this heavy attack upon you, as during this week, Holy Week, Satan tries so much [against] my devoted children, my people, to destroy the love and peace

[because of] the good being done to my destitute children. Yes, you have done so much in that afar country where the Holy Spirit showed you, pointed at the map where you were supposed to carry the mission. The many mouths that you have been feeding is far beyond your comprehension, [assisting] my little ones in need of help all these years. There have been many blessings upon these little ones, orphans and destitute little ones. Do not fear this heavy attack – it will fade away, *disappar*¹, through my Son Jesus' Precious Blood. All is going to be well again. It's like a bad, huge storm that soon will be calm as my Son Jesus calmed the Sea of Galilee. I thank you, my little child Sarah Brooks, for the good sacrifices, [despite] sickness, spiritual attacks, malice and revenge done against you. There is mighty work coming your way. Follow your heart. Do not doubt your gift from the Holy Spirit to progress with your mission, as time is very precious to be wasted. All is under my Son Jesus Christ's control. Be strong in your faith. Do not doubt your capacity to carry this task. Let God be God, surrender: the hand of the Son of Man is the healer, the provider and the guidance with the Holy Trinity. Amen.

I bless you with my peace, my peace I give you, your loved ones and all my people. Amen.

[Fernanda] *Thank you, my Almighty Father God. I love you. Sua bênção*².

Jesus Christ

Thank you, my Petal. My Blessed Mother, she is here to converse with you.

Mother Mary

My little Andorinha³, I, your Blessed Mother, I am here with you.

My little one, time is running out. My Son Jesus' hand is very prominent. Soon, all of you, my children, will see the meaning, the gravity of this message, my words that have been said, prophesied, since the beginning of time.

My daughter Sarah, today you and my little Andorinha alleviated my Son Jesus' pains. Remember, it was only a very tiny seed that was given to you and to my daughter. Yes, I was very pleased with the will of all of you to accept it.

Yes, I was there, side by side, walking with him. I saw all with love in my heart. My little lamb, my Son Jesus cannot contain, tolerate, [for much longer] that my people are turning a deaf ear to the messages given to all my missionaries, asking them the same things. Oh my dear children, do not despair with fear, but turn that fear into trust in your Creator, then all is going to be well and the protection will fall upon you all. But, prayers, Rosaries, Holy Masses and receiving the Precious Blood of my Son Jesus worthy of him are the best present you can offer him.

I bless you, your loved ones and all my children. Amen. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my precious, loving Mother. I love you. Sua bênção. Thank you, my Holy Trinity. I love you. Sua bênção. ♥♥♥♥xxxx Beijinhos*⁴.
