

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Surrender your burdens to Jesus, pray the Divine Mercy Chaplet for the agonising dying souls and for the victims and malefactors of war

Father God, Jesus Christ, Mother Mary, St Faustina

Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My little one, I, your Jesus of Divine Mercy, I am here to converse with you as the feast of Divine Mercy Sunday was celebrated in many churches all over the world.

St Faustina was the scribe, my scribe, for this celebration as [a result of] her obedience and sacrifice while she was living in this world. Yes, for many years, my desire through St Faustina, chosen by me, Jesus Christ, was to proclaim this devotion of the Second Sunday of Easter to be my feast day of Divine Mercy, to send [forth], expand, this celebration. Yes, my children, it took many long years to progress for my honour and glory and to bring souls – tepid, lukewarm souls – to my Sacred Heart.

My Petal, you and my daughter Alice have been part of this festive day at the Divine Mercy [celebration] of Our Lady of Loretto [Catholic Church] as apostles of Divine Mercy, representatives of the St Faustina Apostolate. You were very joyous with the imprint of Divine Mercy on your robe. Yes, St Faustina was chosen for this task, mission, as my picture of Divine Mercy was hidden for many years despite her messages being transmitted to expand the greatness, the value of this feast day, where many souls are restored to heaven through this special Divine Mercy Sunday.

My Petal, my Almighty Father God, he is here to converse with you.

Father God

My little lamb, I, your Heavenly Father God, I am here to relay a message.

My people are carrying a cross of despondency, disappointment, despair. Oh my dear people, since the beginning of time, there were always sacrifices, trials, hardships and tribulations. Even when my Son Jesus Christ was born, Blessed Virgin Mother and St Joseph underwent hardships and tribulations. I didn't take those trials away from them – it had to be, for a purpose. My dear people, in life, there is always a lesson to be learnt, but if you know how to carry your cross with love, humility and faith, my Son Jesus always helps you to alleviate your burdens, your cross. But, my people, in times of trials, they blame my Son Jesus and me, Father God – oh, so many questions: "Why, why me? Jesus doesn't love me anymore. Our God doesn't exist," and many more. Many of them leave my Son Jesus Christ's Holy Church. Oh, they search for other churches, religions, forgetting that we are the Triune God, the Father, the Son and the Holy Spirit. We never leave, never forsake you, my people, but you are the ones who abandon your Creator, your true living God, Jesus Christ. My Son entrusted his Church to St Peter, "Upon this Rock, Peter, I will build my Church." My

dear people, have faith. Pray, pray, come to my Son Jesus' heart. With all these wars of this chaotic world, you will be safe under my Son Jesus' protection.

I give you my peace, my peace I give you, your loved ones and all my people.

[Fernanda] *Thank you, my Ultimate Father God. I love you. Sua bênção*¹.

Jesus Christ

Thank you, my Petal. My Blessed Mother, she is here to converse with you.

Mother Mary

My little Andorinha², I, your Heavenly Mother, I am here to bring consolation, refuge, upon this world, upon you all. My dear children, do not let go of my Son Jesus' hand. Do not look around for a better place to live. Do not take your burdens alone – surrender to him. This was the Divine Mercy Sunday feast day and my Son is full of mercy. I am the Mother of Mercy. I am with my Son Jesus, pleading for each one of you, but you, my children, are astray from him. Leave the status and be more humble. In this world there are always wins and failures. Be strong in times of failure. Do not despair or become despondent. There are dark, rainy days, then there are also sunny days with brighter days. Only prayers can change situations. Go on your knees, pray from your heart. Do not say, "I pray and the Lord doesn't hear my prayers." No, my dear children, all your prayers are heard by us in heaven, in my Son Jesus' own time, and my Son Jesus only gives you what the best for you. When you pray, say, "If it's your will, not my will. You do know all my needs, necessities. Amen." Thank you, my children.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

Jesus Christ

Thank you, my Petal. St Faustina, she is here to relay a message.

St Faustina

My sister in Jesus Christ, humble servant of Jesus Christ, I am here with you.

Thank you for your love and care with our Lord's Divine Mercy Apostolate towards me, the scribe of the Divine Mercy. When you post, teaching my brothers and sisters in Jesus Christ, oh, they must pray the Chaplet of the Divine Mercy more fervently, teaching the ignorant about the importance of the Chaplet of Divine Mercy. They must pray, as you usually pray, for the moribunds of this hour, day, the dying agonising souls that are being afflicted by Satan at their last breath. Yes, some of them are in turmoil with their souls. When this Chaplet is prayed upon the dying, moribund person, it does placate the warfare between the soul and Satan, as he is always trying to catch the prey. Oh, it can also be prayed afar from the dying person. Prayer has no distance for Our Lord Jesus Christ. Oh, there are so many dying souls for whom no one prays.

Pray the Divine Mercy Chaplet for the ones who are causing the war, the presidents etc., for them to change their hearts, for the ones who are suffering the excruciating pains of the war, oh, innocent children, people, who are trapped in the web of the war.

My sister in Jesus Christ, focus on your prayers. Time is running out. Our Lord Jesus' hand is almost striking down upon this chaotic world in disarray of sin.

My sister in Jesus Christ, your mission, your task, is in progress. The last resort is for you to focus more on your prayers. You will pray for people on your own. In prayer, our Lord Jesus Christ will use you in a different way. Do not doubt your capacity.

I bless you, my sister Fernanda, in the name of the Father, the Son and the Holy Spirit. Amen.
