

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7–8

## Jesus' Precious Body is being desecrated in his churches: it must be given in the mouth – he is the healer, not the giver of diseases

### Father God

Thank you, my daughter Fernanda, for sitting with me, your Father God, my Son Jesus Christ and Blessed Mother Mary. My little lamb, I, your Heavenly Almighty Ultimate Father God, I am here to relay a message.

My little lamb, I have come in dismay about my Son Jesus' Precious Body and Blood being desecrated without purity in my Son's holy churches. My Son Jesus' Precious Body is not a wafer. After my son shepherds have consecrated it on my Son's holy altar during the most important part of the Holy Mass, the Consecration, the Elevation, it truly becomes his Precious Body and Blood in flesh. And, as you witnessed, I see how my Son Jesus is falling on the floor and there is no reverence for what has fallen on the floor. They pick it up like an ordinary object and my people walk over the place where it fell. Your heart beats to see that desecration. My people don't understand the pieces of the species falling on the floor. Oh, the ministers of the Eucharist [are] against my will<sup>1</sup> – very few are doing it with reverence and understand the importance of holding my Son Jesus' Precious Body and Blood with zeal. Many more are doing like a duty, not really, truly, having love and respect [when] holding the Saviour of the world, the Redeemer of their sins, of my people's sins. Oh, my son shepherds must take extra care with this situation. My sons the shepherds know all about how to handle the Precious Body and Blood with care: when it falls on the floor, the corporal must be placed over the place where the Precious Body of my Son Jesus fell, then cleaned with care, with holy water, knowing there is no species scattered on the floor. Oh, there is so much of this happening all over the world. This is hurtful to my Son's Sacred Heart. So many of my people desecrate the Precious Body "Host" without my son shepherds' knowledge and hide it in many different ways, treating my Son's Precious Body without respect, taking it, hiding it in the most disgusting places in their body to use it for the cult of Satanism in the most cruel way and for many other horrific uses for their own gain, which is not acceptable in heaven. I have said, I repeat many times, so has my Son Jesus through my Son Jesus' messengers and Blessed Mother's visionaries: we desire my Son Jesus to be given on the mouth only. Oh, very few of my shepherds are doing this, knowing that my Son Jesus heals disease. He doesn't give disease to his children. Oh, no one in my Son Jesus' Holy Church defends this cause.

Oh my dear people, I love you with all my heart. You are mine. I created each one of you to the point of giving my only Son to die for you. Oh, there is so much protocol in these days of the pandemic, but it's time now to obey God first in your lives.

I give you my peace, my peace I give you, your loved ones and all my people. Amen.

[Fernanda] *Thank you, my Almighty Eternal Father. I am sorry for all these pains that we cause you, my Holy Trinity. I love you. Sua bênção*<sup>2</sup>.

### **Jesus Christ**

Thank you, my Petal, I, your loving Jesus Christ, I am here to convey a message to my children whom I love dearly, without their comprehension.

I desire now that my church doors are open – they must come to my holy church for the holy sacrifice of my Holy Mass. I have been living for too long in closed doors in my tabernacle, alone. I need you all, my dear children, to come and keep me company. Oh, I am at the altar, greeting each one of you. I am so joyous to see you. Oh, you don't see me, I am invisible to my children. Yes, some of them enter my holy church without any reverence towards me, like it's a duty, looking at their watch if the sermon of my son priest is taking too long. Oh my dear children, I never get tired or bored to see you. You are mine. I died for the love of each one of you.

My dear children, some of you, oh, many of you, came to Confession for the Holy Week and the feast of Divine Mercy Sunday, which pleased me very much. Oh, don't be astray from now on from the Sacrament of Reconciliation, Confession. I am so excited, joyous, when you come to Confession with a contrite heart in true repentance. My dear children, come at least once a month. Don't stay away from receiving my Precious Body and Blood worthy of me. I am your strength, your healer, your protection. Oh, it does please me to see my children who can come every day to my Holy Mass. I do know that for many of you, my children, because of your duty of having to go to work, it's not possible, but respect my Holy Mass, the day of the Lord, Sunday. Oh my dear children, come now to my Holy Mass as my church doors are open. You no longer need to watch on television, in the media. Yes, I do understand, my elderly children in homes, old age homes, they are an exception.

My Petal, my Blessed Mother, she is here to converse with you.

### **Mother Mary**

My little one, I, your Blessed Mother, I am here to converse with you as this world is in disarray, turmoil with war. My children are suffering pains, abuse, rape, famine, despair, despondency, having to be departed, separated, from their families. Oh dear children, pray for the hand of my Son not to come with the Chastisement before you repent, before you cleanse your souls. Oh, there is so much sin upon this world that our loving Father, the Son Jesus, the Holy Spirit, cannot contain. If my people don't repent, change their hardened hearts, if they don't turn to prayer to pray for this world in disarray, chaos, there is going to be profound calamity, war, floods, hurricanes, earthquakes, slides of mud and water, tsunamis. In some parts of the world it will be painful to see – many huge, massive disasters, unless you, my faithful children, hold the Holy Rosary in your hand at all times and pray for this entire world – famine also.

My children do not be concerned about competitiveness, status. Live a simple, honest life, day to day. Tomorrow belongs to my Son Jesus, our Father God. I am your Blessed Virgin Mother with many

titles, but only [one Mother], the Mother of my Son Jesus Christ and of each one of you. Pray, pray. Prayers can change this world in war and placate the impact of big disasters. I am not coming to put fear, but to [ask you to] help me to combat the pains – our pains of heaven, the Triune God's, my pains – to save you all.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my Blessed querida Mãe do ceu<sup>3</sup>. I thank you for the graces and blessings upon all of us, your children.
