

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary.

My little one, I, your Jesus, I am here to convey a message as my children are in controversy of many different things in this chaotic world, as they are marching to a democracy of their own minds, following the wrong path in life, not turning to prayer first, asking God, the Triune God for the right direction, guidance. Yes, this life brings many challenges, heartaches, trials, but if my children put God first in their lives, asking for help through prayer, praying the Holy Rosary, their trials will be a lighter burden to carry, surrendering and trusting in their Lord Jesus Christ. My children are carrying a heavy burden alone. I didn't promise them paradise in this world, but if my children live their lives within me, choosing me, to be with me, focusing on their Saviour, the one whom has given his life for them, they will more easily carry their *fardos*¹ and the enemy attacks will not be in their pathway. Yes, if my children choose to live according to my will, following Jesus Christ in every way in their daily lives, they won't be lost or feel forsaken or abandoned in their trials and tribulations.

My Petal, my Father God, he is here to converse with you.

Father God

My little lamb, I, your Almighty Father God, I am here to bring "renaissance", to revive, to regain comfort and strength upon my people who are feeling lost in the darkest time of their soul. Yes, there are many of my people all over the world feeling deserted, alone with deception, discontent, disappointment in their daily lives. Yes, we the Triune God, we are aware of all your aching hearts, your hardships. Do not despair or become despondent. In life there is always a price, a sacrifice, trials, as my Son had to pay a sacrifice, a heavy price, but he did it with love for you. He trusted and prayed to the Father. He was alone at the Mount of Olives, he sweated blood with [excruciating] pains, but with prayer and being connected with the Father in prayer, he accomplished his mission to save you all.

My dear people, there is chaos and disarray in this world. Families are in discontentment, in disunity. War is contaminating the peace, [bringing] separation between loved ones. Governments are in dispute to gain power, [with] status, pride and arrogance amongst them, letting the innocent suffer.

¹ Portuguese to English translation: burden

My people are asking, "Where is God?" and many questions are being asked. Yes, none of this comes from us in heaven. My people must combat these evildoers with prayers, with the Holy Rosary. My people, they are in a warfare with the enemy. His time of terrorising, infesting my people with his terror attacks, is almost accomplished. Oh my people, turn into intense prayer as my Son Jesus did while he was tempted by Satan. In those forty days, my Son Jesus recollected [with] the Father in intense prayer.

I bless you, I give you my peace, my peace I give you, your loved ones and all my people. Amen.

[Fernanda] *Thank you, my Almighty Father God. I adore you. I love you. Sua bênção*².

Jesus Christ

Thank you, my Petal. My Blessed Mother, she is here to converse with you.

Mother Mary

My little one, I, your Blessed Mother, I am here with you.

My dear children, [you] are recommended to persevere in prayer as I am Our Lady of Peace, of Perpetual Help, of Good Health and Grace, Our Lady of Light in your most difficult times. This world is in torment, with many of my children facing many hardships, loss of income, financial stress etc. Yes, my dear children, this is no longer the time to live in a world of fantasy, but to face consequences on the pathway, to be strong, to persevere, to focus on the Lord Jesus Christ. Trust, trust and surrender to my Son's Sacred Heart all your fears, your concerns, but be strong in your faith, never to lose the succour of heaven. Remember, the saints endured trials and hardships. St Joseph and I, Blessed Mother, as the Family of Nazareth with my Son Jesus, we had to flee to Egypt in the most difficult times and had many more hardships. St Joseph, my chaste spouse, he was a carpenter and had to be the provider of his spouse Blessed Mother and his Foster Son Jesus Christ, as a Family of Nazareth. Our Heavenly Father didn't spare him from trials and hardships.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.
