

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Some are asking Jesus to come now as this world is in decay, but he is asking his Father to give this world more time to save more souls

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother.

My little one, I, your Jesus Christ, I am here at this remote place, my Blessed Mother's holy grounds, Ngome, on this pilgrimage with my children, some of whom have been coming for many long years – the same as you, countless times – but there are some of my children who have come for the first time. This is a holy place for my children to come and receive graces, healing, blessings – all kinds of healing.

My little Petal, as you do know, there is so much conflict upon this world. Oh, my Sacred Heart hurts, hurts so much. Yes, I bleed for the salvation of souls as I did more than two thousand years ago, as I paid my price for the salvation of my children. Oh, there is so much ingratitude as they hurt my Sacred Heart. Oh my Petal, you do know how I bleed for each one of them. My Blessed Mother cries tears of blood as she sees all the atrocities done upon her Son Jesus' Sacred Heart. My little one, I, your Jesus of Nazareth, I plead to my Father God to give this world more time. My children are asking me to come down as this world is in decay, war, but my aim is to bring more lost sheep back to me. Yes, I need your help, my dear children. Do not let go of my hand. My faithful ones, there is so much still to do to help my lost sheep before my Second Coming. They are scattered. I plead to you, my faithful ones: help your brothers and sisters in Jesus Christ, your loved ones, family, to know me, my love, my mercy upon them. I came for the sinners. I wait for them with open arms.

My little Petal, my Father God, he is here to converse with you.

Father God

My little lamb, I, your Heavenly Father, I am here to relay a message of gratitude to my children, my people. My people, _____ and _____, I thank each one of you for your time in organising, preparing this pilgrimage, with so much love and zeal, to Blessed Mother's holy place, a place of healing and prayer upon my people. My dear ones, _____ and _____, I have seen your time spent conveying to my people about this pilgrimage, the sacrifice, painful heartache, disillusion, deceptions and contradictions, as you also have your duties as parents and at the workplace to provide for your family, loved ones – the arduous task. But, my dear children, my people, when you serve my Son Jesus and Blessed Mother in the harvest, there is a continuous warfare as the enemy

uses his evil tricks to distract you from serving him, to have doubts, to despair, to become despondent. Oh my dear people, do not let your hearts be distraught, in agony and confusion.

My dear children _____ and _____, oh, here in heaven we have seen your trials, hardships and tribulations in the course of your lives – your difficulties with work, with a family to support and not knowing where the next cent, money, will come from. I thank you, my dear ones, for your faith, courage and prayers, never giving up as my Son Jesus never gave up on you.

My dear ones _____ and _____, I thank you for bringing up our children in strong faith, teaching them the value of life, the love of the Triune God and Blessed Mother Mary with the Holy Rosary. We, the Triune God, we are well pleased with your example to them, even in the difficult times as life brings trials and hardships. Oh, this world is not heaven. My Son Jesus and I promise paradise one day in eternity. Take your cross and follow my Son Jesus. My dear people, do not be concerned about tomorrow because tomorrow belongs to my Son Jesus. Our sons and daughter, they are taken care of. Surrender all to my Son Jesus. He is in control.

I bless you. I give you my peace, my peace I give you, your loved ones and all my people on this pilgrimage. We, the Triune God, we heard all your prayers. My Son Jesus has taken them into the abode of his heart. Amen.

[Fernanda] *Thank you, my loving Father God. I love you. Sua bênção¹.*

Jesus Christ

Thank you, my Petal. My Blessed Mother, she is here to converse with you.

Mother Mary

My little Andorinha², I, your Blessed Virgin Mother, I am here to relay a message. My child, I am here to convey a message to my children, each one of them on this magnificent, beautiful, fruitful pilgrimage to my Ngome holy grounds, my Marian shrine.

Oh my dear children, each one of you has been picked and chosen to be here. Nothing happens without my Son Jesus' consent. I am very joyous to see you all here at my holy place. Oh my dear children, I have seen all your pains, sorrows, tears, heartache, sicknesses, your prayers for your loved ones, family and brothers and sisters in Jesus Christ. Oh my dear children, there are dark days, rainy days with no sunshine, but there are also brighter days. Yes, my dear children, do not despair, stay close to my Son Jesus' Sacred Heart. Hold his hand tightly and you won't be lost. Focus on him. My Son Jesus is the captain of your boat. Let him be in front to be the pilot. You will be the co-pilot and he will never let your boat sink. He will bring you safely ashore. Trust and surrender all to my Son Jesus Christ.

Oh, this weekend was peaceful, beautiful. Oh my dear children, I heard all your sighs, your prayers, intercessions from the bottom of your hearts, your tears, despondency, the heavy weight upon your shoulders. Oh dear children, leave it all here at my holy grounds. Continue to teach your loved ones and my lost sheep about our love and care. I, your Blessed Mother, I will take care of you and your fears, worries of tomorrow. Oh dear children, do not question the mystery of God [or have] fear of tomorrow, as today is promised. Tomorrow belongs to the mystery of God. Focus upon him. Live a simple, trustworthy life. When you say "Jesus, I trust in you", mean the words from your heart.

I thank you my daughter and my son _____ and _____ for your dedication upon this pilgrimage and the others done in the past. Yes, my children, we are going through purifications upon this world – the enemy is trying to make it arduous as he knows his time is almost accomplished. Whenever he can, he attacks families and missions, putting my children against one another to cause havoc, confusion and destruction. Stay firm, pray. He hates anything to do with bringing salvation, especially my holy grounds with the Holy Rosary.

I bless you, your loved ones and each one of my children on this pilgrimage (and on every pilgrimage) coming to my Ngome holy grounds – [I will protect] your loved ones, family, your belongings with my Virginal Mantle and my spouse St Joseph with his holy cloak, as a family of Nazareth. Oh, he thanks you with a great gratitude and appreciation for all the work done with novenas and all the prayers that you have been promoting, teaching my children the consecration to St Joseph. You and your loved ones, they will be taken care of with graces and blessings – [the same applies] to every person who has been doing these prayers and the consecration to St Joseph.

Oh my child, do not doubt your capacity to carry this task entrusted to you. I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my Blessed Mother, my Holy Trinity. I love you. Sua bênção.*

Thank you, my Petal. I bless you, your loved ones and all my children. Amen. Oh, tonight was beautiful with my Blessed Sacrament being exposed and the healing Mass.
