

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

This world needs intense prayers: big disasters are coming – countries are going to attack each other and some will disappear

Jesus Christ

Thank you, my daughter, for waking up to converse with me, your Jesus Christ. I am here to convey a message.

My dear children, time is too precious to be wasted on the things of this world. Time is passing by and this world needs your intense prayers against the dangers of the outcome of this world in despair, in need of help, against a nuclear bomb and plans by some countries to do a controversy of malice, revenge and greed, to do harm, destroying my children with the weapons of enemy attacks, to control the world – and my children will suffer through this kind of malice. Oh my dear children, pray without ceasing for this world, for China, the United States of America, Australia, Germany, Austria, Canada, Argentina, Mexico, every part of the world. Oh, there are going to be avalanches, countries attacking one another – some of the countries will disappear – earthquakes, floods, uncontrollable slides of water, deaths, famine. My children [will be] jobless, short of income, in poverty. My children must start safeguarding with the storage of food – water is [also] necessary.

Pray, entwine with my love in prayers. I will safeguard you. I will be your providence. I shall give you a prayer for my providence. Pray at all times. I will never leave you or forsake you or your loved ones. Bear with me in prayer. I will be with you till the End of Times.

I give you my peace, my peace I give you, your loved ones and all my children. Amen.

[Fernanda] *Thank you, my loving Jesus Christ. I love you. Sua bênção¹ ♥♥♥♥xxxx. Beijinhos².*

♥ Our heart from heaven. Amen.
