

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My little one, I, your Jesus Christ, I am here to convey a message.

You and my children came here to the Good Shepherd Retreat Centre¹ at this place, this beautiful, remote place of God's creation where many of my children come to receive healing, all kinds of healing – spiritual and bodily. This is a retreat for my "Women in Christ" children. This is a beautiful weekend – [a place] where different kinds of retreats have been happening to bring many of my children's souls to salvation. Oh, this has been seen by us here in heaven. This is very pleasing to the Holy Trinity. This is a necessity as many children come here in brokenness of their daily lives.

Oh, my son the shepherd, Father Wayne, who is conducting [this retreat] and restoring the souls, spirits and bodies of my children – I thank my son priest Father Wayne for his dedication and love, teaching my children. This has been happening with his effort, diligence and perseverance with the charisms of the Holy Spirit and all the gifts of the Holy Spirit.

It has been a fruitful weekend since you, my children, arrived yesterday and today, with my Holy Mass and all the learnings, teachings, for my children to absorb in their hearts. Oh, there is so much that my children are receiving on all these beautiful weekends, different kinds of retreats, but in the end it's all about infilling my children with knowledge and wisdom to persevere, to never give up in their daily lives, in all their trials and hardships as I never give up on my children.

My Petal, my Father God, he is here to converse with you.

Father God

My little lamb, I, your Heavenly Father, I am here to relay a message of thanksgiving and appreciation to my people coming here this weekend, leaving their loved ones, family and chores that needed to be done to attend this Women in Christ retreat.

Oh, tonight was very beautiful, fruitful, with my Son Jesus' Blessed Sacrament being exposed in Adoration as my devoted son priest, shepherd, Father Wayne was doing healing [prayers] with my Son Jesus Christ being present in Adoration. This is very pleasing to us as the healing was taking place. Oh, my people are in extreme need of this kind of healing as this world is turning into a sickly,

perverse, infectious, disturbed world. Oh, my people are in fear, feeling disturbed, confused, in painful heartache – like at a crossroads, not knowing where to turn. If only my people would turn to my Son Jesus for help. Oh, the Blessed Sacrament is their refuge, their consolation when they are in indignation, trying to solve their problems. At my Son Jesus' Blessed Sacrament, they will find all the solutions – during the Adoration my Son Jesus brings healing and alleviates their pains when my people learn to surrender all to my Son Jesus: "Jesus I trust in you, Jesus I surrender all my burdens, my worries, my fears to your Sacred Heart." Oh, my Son Jesus receives them into the abode of his heart. Oh my people, lean on him. Knock, the door will be opened for you. Ask and you shall receive. Trust with confidence and all your pains, trials and hardships will be taken care of.

I give you my peace, my peace I give you, your loved ones and all my people. Amen.

Thank you my daughter, my little lamb.

[Fernanda] *Thank you, my Almighty Father God. I love you. Sua bênção*².

My Petal, my Blessed Mother, she is here to relay a message.

Mother Mary

My little Andorinha³, I, your Blessed Mother, I am here to convey a message to my faithful, devoted children who have given up their time for this event, this Women in Christ retreat, organised with love, zeal and fortitude.

Oh my dear children of this Women in Christ group, we do know each one of you by your name. Your names are all carved in my Son Jesus' heart, in the palm of his hand. Know, my dear children, I am well pleased with the brand name, the theme, "If you knew how much I love you, you would cry tears of joy". Yes my dear children, I love you, each one of you, with the same love as I love my Son Jesus Christ. I am very joyous for this amazing weekend. I thank each one of you, my dear children, for coming and spending this magnificent weekend here in this creation, nature, created by our Heavenly Father. Oh my dear children, you are so preoccupied, occupied with your daily lives, your affairs. As you come here to receive healing, all kinds of healing that you need, of body, soul and spirit, your time spent here with the Triune God and your Blessed Virgin Mother is never wasted – it's graces, blessings and healing that you don't see at this moment because you are in so much pain, confusion and heartache. Soon you will see the [fruits of your] efforts from this special weekend. Persevere, never give up in times of trials and tribulations. My Son Jesus is always with you in these most difficult times. He will never forsake or abandon you. Never let go of his hand. In times where you feel you are in a sinking boat, he will bring you safely ashore. Trust, trust, trust him. Love him in good and bad times. He is your Saviour, the Redeemer of your sins. He died for you, for a purpose, to be with you until the End of Times.

Thank you, my precious children of this team – Alice, Fatima, Tina, Evelyn, Quida, Gracinda, Elma, Colleen, Bernie, my Andorinha – it's worth the sacrifice, the time spent, to help my dear children to overcome their sufferings, to know more profoundly about our love and Blessed Virgin Mother who loves you all as a heavenly Mother, who never stops interceding for you at the foot of the cross.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.
