

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7–8

### Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My little one, I am here with you to converse with you.

My Petal, today, you and my children are far away in this remote place: my Blessed Mother, Tabernacle of the Most High's holy grounds, Ngome – on this pilgrimage where my Blessed Mother appeared to my daughter Sister Reinolda May, an obedient servant of God. Since then, this has been a place of many miracles – all kinds of healings have been happening. My children come here very broken, heartbroken, in sickness, as broken vessels. You have been coming many times. My children come most of the time not so for themselves, but for their loved ones, family, sisters and brothers in Jesus Christ. Many tears are shed. This is a place where my children seek refuge for their pains, trials and hardships.

My Petal, at this point in time, my children are undergoing tremendous confusion, malice in their surroundings. My children don't see what is happening – the phenomena that my children are undergoing. There is so much that my children are not aware of, the disasters. The world is in dismay, yet they carry on as if nothing is wrong.

My Petal, my Father God, he is here to converse with you.

### Father God

My dear people, I am your Father, the Almighty Father God.

My little lamb, we are very disturbed with many distractions. We shall continue with our dialogue soon when we get to our home.

[Fernanda takes a break]

My little lamb, we shall continue with our conversation.

As you came home, you were very exhausted and we allowed you to rest.

My little lamb, this weekend, my people came to Blessed Virgin Mother Tabernacle of the Most High and my son priest Father Siyabonga did a beautiful healing upon my people about mourning, grieving their loved ones, family etc. Oh, my people were very distraught, in pain, as they mentioned the names of their family, loved ones, through the healing Mass. Yes, my people need to mourn, grieve – there is a place, a time for everything in my people's lives, but after a certain time there is

also a time to let go. Yes, my people don't ever forget their families, loved ones, but there is a place, a time, to remember them with love – the good memories during their lives. Yes, this healing Holy Mass was also for the healing of memories. My dear people must know that when their loved ones, family, brothers and sisters in Jesus Christ, come to eternal life, what they need are Holy Masses, Rosaries, Divine Mercy Chaplets, prayers, prayers for them, not tears, for they need their souls to rest in peace. My people don't know where their loved ones, family etc. are in eternity. My people, pray for them instead of [crying] many tears without saying a prayer to alleviate them. My people don't know where they are – yes, it's a mystery that belongs only to God. Know that some of these souls, many, many of them, are suffering in purgatory for many years without anyone praying for them. Oh, oh, many, many souls are in Gehenna. What a suffering! Excruciating, horrific pains! Pray for the souls of purgatory, especially the most abandoned ones for whom no one is praying. These souls need Holy Masses and intense prayers.

I bless you, your loved ones with my peace, my love upon each one of them, and upon this entire world. Amen.

[Fernanda] *Thank you, my Heavenly Father. I love you. Sua bênção<sup>1</sup>. My Jesus, I am sorry, I ask forgiveness for this interruption.*

### **Jesus Christ**

My little Petal, this was necessary. It had to be done.

My Petal, my Blessed Mother, she is here to converse with you.

### **Mother Mary**

My little Andorinha<sup>2</sup>, I am your Blessed Virgin Mother, I am here to converse with you.

I thank each one of my children for their obedience in listening to their call to come to my holy grounds. My dear children, I am your Blessed Mother, Tabernacle of the Most High. You came to my holy grounds, Ngome, seeking healing for all kinds of sickness, illness, infirmity of the body, soul and spirit. Know, my dear children, you came here with many expectations to see and receive signs from us, the Blessed Virgin Mother. Oh my dear children, each one of you came here through my invitation and the Triune God's. Even before you were formed in your Mother's womb, we knew you, that you needed to be here. My dear children, each one of you has been handpicked and chosen with so much love and zeal. As you are seeking healing for different needs, for your loved ones, family, for yourselves, know, my dear children, that I heard all your petitions, prayer requests, every sigh and tear shed from the depths of your heart. Every prayer has been taken care of in the abode of my Son's heart.

My dear children, back at your homes, continue with the same love in prayer and teaching your family, loved ones, about the meaning, the power of Holy Rosary and all that you have received this weekend. Yes, I know, my dear children, about the desires of your hearts. Teach them about my Son's love, to come to my Son's Holy Mass and to Confession. They won't be lost. My dear children, be peacemakers in your families, upon your brothers and sisters in Jesus Christ, upon this world. My dear children, I, your Blessed Virgin Mother, Tabernacle of the Most High, need your help to bring my children, the lost sheep, back to my Son Jesus' Sacred Heart, to combat the enemy in my innocent children. Oh, my youth, my youth are lost. Pray for them, for the conversions of sinners.

My dear children, I thank you, each one of you for coming to my Blessed Mother, Tabernacle of the Most High, Ngome. Oh, when you, my children, come to these holy grounds, every prayer, every word said in the silence of your hearts has been taken care of. If you don't receive at that precise moment, it's taken care of in the abode of my heart. No prayer request is, has been, in vain. I will answer in my own time. Know, the plans I have for you – I know each one of your names – your DNA has been written in the palm of my hand. Do not despair or become despondent. I am with you until the end of time, for eternity
