

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

## God doesn't want to punish his children, but it is inevitable upon this world – the only way to retrieve it is through obedience and prayers

### Jesus Christ

Thank you, my daughter, for waking up to converse with me, your Jesus Christ.

My little one, I came at this hour of the morning as my heart is trembling, trembling with anguish, pain as I don't want to punish my children, but it's inevitable upon this world. The Chastisement will cause pain, sorrow, suffering upon this entire world. Oh, the floods continue in the Philippines and other parts of the world, the tsunamis are imminent in some parts of the world, Mexico, Argentina and some other countries. All these massive disasters can be avoided if only my children would help me with prayers, repentance and by turning their eyes upon me. The justice of God is inevitable. God is a merciful and compassionate God but his wrath is also an immensity. As per the beginning of the world, he has been asking my children to live their lives according to the Ten Commandments, which my children don't respect and they compromise his desires by not following the ways of heaven.

My dear children, how good and merciful loving Father Almighty God is towards his people, but the disobedience and stubbornness of mankind turns the Holy Trinity to a severe punishment. But, this can be retrieved through obedience and prayers.

My dear children, look around yourselves and at this entire world, the wars where my children, innocent little ones are suffering – this is not from us, the Triune God. The malice, revenge, greediness, pride and arrogance to gain status, the stubbornness of leaders, governments, to gain power – oh, they don't care whom they are hurting. This is an abomination of intense sins and I, your Jesus Christ, cannot permit it for a long time.

I bless you all, I give you my peace, my peace I give you, your loved ones and all my people.

[Fernanda] *Thank you, my loving Jesus Christ. I love you. Sua bênção<sup>1</sup>.*

♥ Our heart from heaven. Amen.
