

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

To make this world a better place: take care of your soul above all else, pray for the living, the dead, and come in humility to Confession

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My Petal, I, your Jesus Christ, I am here with you.

My children are very concerned about how the world is turning into a dark path in many countries. Yes, my children are focussing upon that. Many, many of them are moving places, countries. Yes, my children are living in fear. If only my children would also be more concerned with taking care of their souls in the same manner, heaven would rejoice and it would be a better world.

My child, Ukraine and Russia still need more intense, deeper prayers. There is so much damage when there is war, so much pain, suffering, destruction, deaths. The leaders of humankind, governments, don't care whom they are hurting. They put selfishness, greed and gluttony of money and power over my innocent children's lives. Oh my child, how long can my Father permit this barbaric, painful atrocity upon his Only Begotten Son's Sacred Heart? My Heavenly Father sees all the pandemics upon this world. Yes, the pandemic of lost souls who are only focussed on the worst scenarios, but my children don't know when it's their last breath on earth.

Yes, my child, you were praying upon my daughter, my children, who came from afar seeking my healing through my instrument, my channel – oh, so much pain, regret, guilt upon the passing of their loved ones.

My child, my Father God, he is here to converse with you.

Father God

My little lamb, I, your Heavenly Father, I am here to relay a message.

Let's continue with our conversation, dialogue, as my Son Jesus opened the way for us to continue with this dialogue.

My people take many, many years to heal when their loved ones, family, pass to eternity. My dear people, let the dead be buried and you, my people, pray, pray for their souls. That is what they need, your prayers, not the tears during many painful years of agony. Yes, prayers are the key to release many souls of purgatory. Oh, these souls are yearning for your prayers. Oh, these souls will pray for you when they are in a better place, in heaven.

I give you my peace, my peace I give you, your loved ones and all my people. Amen.

Thank you, my little lamb.

[Fernanda] *I love you. Sua bênção*¹.

Jesus Christ

My child, my Blessed Mother, she is here to converse with you.

Mother Mary

My little Andorinha², I, your Blessed Virgin Mother, I am here to relay a message.

My little one, yesterday you went to my Son's church, St Anthony's Church, with some of my children for the celebration of my birthday, as these, my devoted children, were celebrating the Miraculous Medal with the prognostic messages of St Catherine Labouré, the messages given to her through my appearance. St Catherine Labouré was very obedient to her call to propagate the devotion of this powerful medal, Our Lady of the Miraculous Medal. Yes, through this medal, represented by the engraved image, yes, I will concede many graces, protection and healing upon my children. I thank my children, my son priests, for the effort of this celebration and the procession, and my little angels with my little son Noah – a soldier for Blessed Mother's Miraculous Medal procession. Yes, my little one, this world needs more and more of this kind of prayer to transform the hardened hearts. Malice, revenge, pride and arrogance in my children's hearts are the causes of many lost souls never confessing their faults, errors, sins.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my loving Mother. I love you. Sua bênção*³. ♥♥♥♥xxxx Beijinhos⁴.
