

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My little one, I, your Jesus Christ, I am here to convey a message.

My Petal, time is running out for more and more conversions of hardened hearts. My children are being disobedient, stubborn – the doors of their hearts are closed. As I stand outside the doors, waiting in vain, the doors continue to be closed. I knock, knock – the handle is from the inside, but my children ignore my knocks. The clock's hands have stopped for quite a long time. The tick-tock is not heard anymore, but we, the Triune God, we love our children, we give them more time, waiting for a response. So many deaths, killings, murders, abortions where my little defenceless ones have no say over these killings. My Petal, I, your Jesus, I try in so many different ways, approaches, to convert the sinners, but it's up to them to let their hearts be open to my call, to my Blessed Mother calling them for conversions. Oh, if only my children would see my Blessed Mother's tears of blood when she calls them to see my light, my love for them. Oh, if only you could see our love, my Blessed Mother's love, you would cry tears of joy. When one of our children comes to eternity, we, the Father, the Son and the Holy Spirit – the Holy Trinity – we are in front of my Father's throne and my children are facing the Face of God. When the Book of Heaven is dark with sins that have never been amended here on earth, my Blessed Mother is the intercessor with her tears of blood, pleading, interceding for our children with her love, motherly love.

My Petal, my Almighty Father God, he is here to converse with you.

Father God

My little lamb, I, your Heavenly Father God, I am here with my fatherly love towards my people.

Oh, what a genocide amongst my children, my people, without my people's knowledge. The manmade medicines, medication, vaccines [being put] into my children's bodies. Oh, this is a cry from heaven when my children have been blinded by the false pretences of it being for the good of their health. The Holy Spirit will soon bring into the light what has been hidden in the dark. I, your Heavenly Father God, I am the Creator. I bring life into the world. Everything upon this earth has all been created, given to my people to live. My Son Jesus and the Holy Spirit in conjunction with me, the Almighty Father God, we are the Holy Trinity. We are the Three-in-One Inseparable. We give life to my people, true life, until their last breath on earth. We give life. The Holy Spirit gives life and takes life, the true God, only God, who created you all, not with manmade laws or tools and

instruments being used to destroy my people's health. Genocide is not from us here in heaven. My people's bodies are the temple of God, not to be used for experiments, for the intention of greed, gluttony of money.

I give you my peace, my peace I give you, your loved ones and all my people.

[Fernanda] *Thank you, my loving Father, my loving Jesus and my sweet Holy Spirit. I love you. Sua bênção¹.*

Jesus Christ

Thank you, my Petal. My Blessed Mother, she is here to converse with you.

Mother Mary

My little one, I, your Blessed Virgin Mother, I am here to relay a message. My dear children, we here in heaven, we do see each one of your pains, trials, tribulations, hardships. All over this entire universe there are many different kinds of pain. Some of them are being infiltrated upon my innocent children – wars, conflicts, government leaders, greediness of money, status in governments, not taking their vows, their commitments, *juramentos*², to take care of the nations. My children are living the most horrendous, sinful lives when the people being entrusted to them are suffering. Oh, war, what a genocide of killings without mercy or compassion – abortions, abortions!

My Petal, as you encountered some of my children, my son _____ who has been carrying a heavy burden, a heavy rod, upon his shoulders for many years as an accomplice with his spouse as they committed the sin of abortion. I thank my son _____ for opening his heart, for having a merciful repentance. The remorse he carried through the years has been removed from him as he confessed with a contrite heart and was truthful in Confession. Thank you for explaining to my son _____ that when you come with an open heart and confess the sin of abortion with a sincere heart in Confession, when my son priest absolves you in the name of the Father, the Son and the Holy Spirit, the Book of Heaven is made blank, that dark sin on that page is wiped away. Oh my son _____ was remorseful. He came with an open heart. Oh, he carried that heavy pain. He was ashamed to confess. My dear children, do not be embarrassed to come to my son priests for Confession. Even your most scarlet sins are forgiven. Through the Sacrament of Penance, Confession, they are being set free. Yes, my son _____ feels lighter – that heavy burden, pain has been lifted from him and heaven rejoices as Satan no longer has any authority upon my children when they confess all their sins. Oh, you can't hide your sins in Confession as my Son Jesus Christ, he is the one there to absolve you all and he sees it all.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.
