

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

St Francis prayer of purification

St Francis of Assisi

My sister Fernanda, times are very peculiar in this entire world [that is] in need of peace. Prayers are much needed, more than ever before. My brothers and sisters in Jesus Christ need to change their hardened hearts to be peacemakers in this world, amongst loved ones, families and government leaders. There is not much time, as the time, the clock's tick-tocking, has stopped. Only the prayers of the faithful children of our God can still hold this time given to this world. Children of our God, listen, absorb all the peculiar messages from heaven through messengers of the true God Almighty, the Son Jesus Christ and our Blessed Mother's visionaries. Do not take them for granted. Pray, forgive and love one another. Family [members] not talking for years, ignoring [each other], come to eternal life with these grievous sins, or other sins, horrendous sins that haven't been confessed, take their souls into years and years of suffering in purgatory. Oh dear children of God, amend and repent. Do not live in this world with unforgiveness. Wash away all the animosity. Be instruments of peace. Do not hurt any longer our Lord Jesus Christ who died for you to save you from the depths of Gehenna, of eternal purgatory. [Don't have] pride and arrogance. Forgive your brothers and sisters in Jesus, your loved ones and family, your neighbours' errors, faults. Oh, no one is perfect in this world, do not judge [so as] not to be judged. Let go, let go of the past. Here in heaven, in eternal life, you will see in a different way than [you did] on earth. Do not suffer in eternal life because of asperous indignity, malice, complacência¹, hatred. Pray the prayer of St Francis of Assisi for peace². Pray with your heart and meditate on those simple words. Say:

Lord Jesus Christ, change my heart of pride, arrogance and self-righteousness. Change my heart [to be] like your heart. Use me, lead me to be your channel of love and peace. Help me to bring souls to your Sacred Heart. Cleanse my soul. Purify my soul, my mind, my spirit for one day to see the Face of our God, to rejoice in the fruits, to be seated at the Banquet of the Lamb, of the saints, for all eternity.

My sister in Jesus Christ, continue with your task, mission. Serve our Lord Jesus Christ as you are [doing] in this world, as the time is near and many souls are in need of reparation. Continue to be a peacemaker as this world is in disarray, in need of many prayers.
