

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary. My little one, I, your Jesus, I am here to converse with you.

We celebrated the holy saints' day this month of November. Oh, what rejoicing in heaven – all the saints of heaven were in jubilee. Yes, as you ask them all to be in prayer for my children, for all kinds of healing as they come to seek help, when my people ask their intercession, the saints are very pleased to be the intercessors to us in heaven in conjunction with Blessed Mother Mary, the Mother of many titles – my Blessed Mother of many titles, but only one Mother, and [the Mother] of all of you.

My children, All Saints Day, was a beautiful celebration [at] the Banquet of the Saints. There are a multitude of saints, many of them are unknown to you, my children. On earth they are not recognised as saints, but in heaven they are beautiful, amazing saints. They are powerful intercessors. As [with] some of them on earth there were miracles occurring in my holy name, they are also doing it in heaven – the novenas, prayers etc. My dear children, treasure these holy saints, imitate their sainthood in this world. Many of them died for their love for me, Jesus Christ. They were martyred [with] horrendous excruciating pains, but they never denied their love, faith, trust in me. My children, strive to imitate these wonderful saints. Everyone can be saints, can be sinners, but they can change their lives. When my children have the most horrendous sins, if they amend, repent and turn to me with a contrite heart, heaven rejoices to receive a lost sheep to be seated at the Banquet of the Saints.

My Petal, my Father God, he is here to converse with you.

Father God

My little lamb, I, your Heavenly Father, I am here to converse with you.

I am in dismay as my people are continuously in disarray of sin. I am a loving Eternal Father. I am a Father of mercy, a Father who loves his own people to the point of letting my Only Begotten Son die for you, but there is not much change in the people for whom my Son Jesus sacrificed himself. My people, the hand of God is coming down. What has been written in the Living Word, the Holy Bible, will be coming to a conclusion very soon. There is not much time left to reciprocate, to retrieve the living Holy Word [that is] to be concluded. How many of you, my people, are knowing, are aware of the Holy Word of God? How many of you are praying against the disasters, the wars, the floods,

praying for peace? How many of you, my people, are peacemakers in families, with brothers and sisters in Jesus Christ? Yes, my dear people, pray, pray against the suffering of war. Famine is very prominent – make provision for this. Start opening your heart to the truth, to reality. Prepare your heart, your home, your soul to be in a state of grace. You don't know the hour or the day of your last breath on earth.

I give you my peace, my peace I give you, your loved ones and all my people. Amen.

[Fernanda] *Thank you, my loving Eternal Father, my Triune God. Thank you for this time, for your love towards us, your sinful people, your children, as we don't appreciate these blessings and graces. I love you. Sua bênção*¹.

Jesus Christ

Thank you, my Petal. My Blessed Mother, she is here to converse with you.

Mother Mary

Thank you, my little one. I, your Blessed Virgin Mother, I am here with you to relay a message.

My little Andorinha², today you and my daughter Alice went to my daughter Noelia's funeral. Her suffering ended in this world. Yes, her suffering was a purification for her soul. If my Son Jesus doesn't heal the body, he heals the soul, which is more important for my children in eternal life. My dear children, "Manny" Manuel, my little children Chantelle, Anthony and Cristiano, I do know your suffering, your sorrow, your grieving. I walked side by side with my Son Jesus as he walked, carrying the cross to Calvary. I stood by my Son Jesus Christ. I wanted to help him to carry the cross, but I walked, watching all his excruciating pains. In the silence of my heart, I was crying tears of blood, but I knew it had to be for the salvation of each one of you. I obeyed our Father God's will. My children, do not fear the future. Focus upon my Son Jesus. I will protect you with my Virginal Mantle.

Jesus Christ

My dear children, Manny and Chantelle, Anthony, Cristiano, I, your Jesus Christ, I am here to empathise with your grieving, the mourning of your loved one, spouse, mother, grandmother – your loved ones, each one of you are going through pain – oh, many questions, no answers, as the mystery of God belongs only to God.

My dear children, I do know all your aching hearts. My children, in time to come, I will appease your aching hearts. When my children are created by my Heavenly Father, the Holy Spirit is the Breath of Life. The Holy Spirit infuses the breath of life. We are the Father, the Son and the Holy Spirit – the Triune God, the Three-in-One Persons Inseparable. The Holy Spirit gives the breath of life, and he is the one who takes away the last breath. My daughter Noelia, her time in this world was terminated, accomplished, as she was created, born, by the will of God. My dear children, this world is a passing by, a journey, a teaching, preparation for coming back to eternal life, back to the Father's house where they come from. For each one of my children, the hour, the day to come back to my Father's house is written in the Book of Heaven. If it's not for one cause, it will happen in some other way, and the breath of life is taken away.

My dear children, I am your God, your Jesus Christ. I will never leave you, never forsake you. You are all mine. I will take care of all of you. Surrender all your pains and worries. Focus upon me. My love
