

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Words of wisdom from Jesus Christ, a New Year's request from Mother Mary, and a blessing from our Almighty Father God for 2023

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary.

My little Petal, I, your Jesus, I am here with you at this hour in your birthplace Madeira, far from where you have been living for many long years, where I desire you to carry your mission for my honour and glory. This year "last year" December, you came back here by my grace and my children Manny and Lily's, as I provided and blessed them with many graces and blessings.

My Petal, as the year 2022 ended last night, a new year 2023 begins. Many of my children in many countries upon this world, the universe underwent tribulations, hardships, trials, sicknesses, illnesses, infirmities, disasters, floods, wars, painful wars, pains, deaths – many purifications upon them – killings, murders, loss of income etc. My dear children, from the beginning times there were also happenings without your knowledge. But, in everything, my dear children, there is a lesson to learn through your difficult times, famine etc. The saints today in heaven, each one of them, suffered tremendous, horrific pains and purifications – the Apostles, my servants – no one had anything without a sacrifice.

My Petal, my Blessed Mother, she is here to converse with you.

Mother Mary

My little Andorinha¹, I, your Blessed Mother, I am here with you to relay a message to my children.

As this 2022 epoch ended, a new year has come, a new resolution, a change of heart. I desire my children to receive a new, clean heart, a heart of love towards my Son Jesus of Nazareth. My children, as the New Year begins, my Son Jesus of Nazareth wants to see your pure hearts of love, of forgiveness and kindness. My children, know that my Son Jesus bleeds for your salvation. Through his recent birth, he brought life, light into your lives. My children, do not continue to live with darkness in your life, your soul and spirit. Let the light of a new year bring you closer to my Son Jesus.

My children, I am a Mother of love. I am your Mother. I am the Mother of the Messiah. I care about you without your understanding. As this New Year 2023 begins, as the Mother of the Holy Rosary, I

repeat again: do not neglect the Holy Rosary. Use it, wear it as your weapon. Keep it close to you. Use a Brown Scapular or another Scapular blessed by my son priest. Use a crucifix with the body, corpus, of Christ, not a plain cross. Use it with you. All these have to be blessed by my son priest. Pray the Holy Rosary every day. Do not neglect this prayer. Oh, I desire my Holy Rosary to be prayed as a united family. Do not let the malign enter into your life, your home, as he is here to devour my children's souls.

This is my desire, wish, for each one of you, for this New Year, 2023. As my children will encounter trials, hardships, tribulations, I promise that with these weapons, I will be your shield of protection.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

Jesus Christ

Thank you, my Petal. My Almighty Father God, he is here to converse with you.

Father God

My little lamb, I, your Heavenly Father God, I am here on this New Year to relay a message to my people who are my Creation, whom I love without their comprehension.

My people, I am your Ultimate Creator, your Eternal Father of all creations, heaven and earth. My beloved people, this is a message I convey to this entire world. Today is the first day, 01/01/2023. A New Year has begun, as my people often say, "Oh, this year has gone so fast". Yes, my people, time is running out. Here in heaven, we see and know about time, [that] it's not enough for the conversion of sinners, of my people, which saddens our hearts, the Holy Trinity.

My people, every year is a new beginning, a new change upon my people and this world, but it's to no avail. My people, we have given many messages through the years, repeating, repeating, but they have been ignored. We have been giving messages from your Heavenly Father, my Son Jesus Christ and Blessed Mother, about many disasters, earthquakes, floods, chastisement etc. [These] have been given to you, my people, to be aware, not to put fear, but [for you] to prepare yourselves, to entwine with our hearts to be saved from [the] prejudice of your souls. My people, I am here to plead, to ask again.

There is a time for everything in this world. Unforgiveness; hatred; revenge; marriages in decay; family against family, one another; anger; inheritance owed to one another... my people, this New Year, let go of all this, which is destroying your peace and love for one another, love for your neighbour. Let go of everything that is corrupting your soul. My people, change your hearts, receive joy and gladness. Receive these riches of heaven to enrich your mind, soul and spirit.

My people, I do not promise paradise in this world – it has never been [so], but I promise the riches of heaven one day in eternity. My people, I, your Heavenly Father, my Son Jesus, the Holy Spirit, we are undefiled, undivided, the Three in-One Persons. Will you help us to change your hearts through this message of our love towards you all, to pray, pray without ceasing for this world, for good leaders, governments, for my Son Jesus' Holy Church, my son priests, the holy pope, cardinals, and bishops who have been severely attacked? Pray for this cause. As it has been written, do not judge for one day you will be judged with the same measure. They are human, fragile. Satan is prowling to

destroy anything that is holy to my Son Jesus Christ, but your prayers, the prayers of each one of you will move mountains. [Pray] to stop corruption, the taking away of what belongs to the ones in need of help, for honesty, humility of heart, compassion.

I give you the blessings of the year: may your hearts be free of anger, bitterness, resentment, hatred, revenge, darkness, envy and jealousy. May the Precious Blood of Jesus Christ inebriate your veins and wash away any kind of sickness, illness, infirmity, any kind of disease, blindness. May the Holy Spirit be your light in your darkness to give you strength, courage, faith, hope and love. [May] Blessed Virgin Mother be your shield of protection with her Virginal Mantle against the snares of the enemy; and your guardian angel be alert at all times to guide, rule and protect you. In the name of the Father, the Son and the Holy Spirit. Amen.

[Fernanda] *Thank you, my Heavenly Father, my Jesus Christ, the Holy Spirit and my Blessed Mother. Thank you for the many graces, blessings, trials and tribulations. I do not have enough words to thank you for all these blessings. I ask forgiveness, pardon for my ingratitude, not appreciating all this that has been given to me, my loved ones, family and all your children upon this world. Thank you for the New Year, the gift of life for free. I love you. Sua bênção. Thank you, my guardian angel Filipe, archangels, angels, saints of heaven. I love you. Sua bênção. ♥♥♥♥xxxx Beijinhos³.*

Jesus Christ

Thank you, my Petal for your love and appreciation. I give you my peace, my peace I give you, your loved ones and all my children. Amen.

♥ Our heart from heaven. Amen.
