

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary.

Father God

I, your Heavenly Father, I am here to converse with you.

My little lamb, I, your Almighty Father, I come to relay my love, my merciful love upon my own people, a Father's love, infinite love, to eternity, but my people are falling astray from my love, my Son Jesus' ocean of love upon them. My people are in decay of sin, [with] blinkers, scales on their eyes – they don't see any of this. I am the Father of my people, [with] a Father's love, as I even gave my Only Begotten Son to die for them, but my people are still questioning about the essence of God's love. They wonder if God really exists. How could they be in this world without my existence? Who created the universe, my people in my own image? The mana from heaven? My people don't see how they couldn't live in this world without God's existence. I am the Father of my people. I created everything perfectly. My people must make their own choices in life. We, the Triune God, I, God, the Ultimate Father God, I have given my people their own free will. The Holy Spirit, the Breath of Life, is the guidance, the teacher in their daily lives, but they decide to follow the wrong path of life. Oh, then the Creator God and my Son Jesus Christ are blamed for all their own wrong deeds. But, as we, the Triune God, we love our children, our people unconditionally, we do forgive and understand their despair, despondency. My dear people, in times of tribulation, trails, do not become despondent. We are the hope upon your lives. Do not give up, as my Son Jesus upon the cross, as he looked upon you, he never gave up on his task to carry it till the end.

I give you my peace, my peace I give you, your loved ones and upon all my people. Amen.

Mother Mary

My little Andorinha¹, I, your Blessed Mother, I am here with you.

I continue with our Father's dialogue. As my children are at their crossroads in their lives, not knowing which direction to take, as the world seems to fall upon them, my children in turn, to find out their future, they search in the wrong places to get solutions. Oh my children, do not look left or

right for solutions or to know the future, as only God can solve all your problems in prayer. Yes, in prayer you will know all the [answers to] questions, the solutions of all your problems, difficult situations. We here in heaven do see all your hardships, but sometimes these hardships, trials, bring you closer to my Son Jesus Christ. Oh my children, in those difficult circumstances, you are not alone: that's when my Son Jesus walks side by side with you, but you focus only on your own affairs. My children, when there are painful times and you are in prayer, every sigh, every word, every tear is taken to the abode of my Son Jesus of Nazareth. Praying without ceasing is the key word to open the new door that has been closed. Pray, pray.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my Blessed Virginal Mother. I love you. Sua bênção*².

Jesus Christ

My little Petal, I, your Jesus Christ, I am with you to convey this message as my children are in turmoil of their lives. I am your Jesus of the beginning of time, of yesterday, today and tomorrow and always. My dear children, look upon my Sacred Face. I am your hope. I look upon each one of you. Without my love, there is emptiness in your hearts, darkness. I am the light, the truth in the darkest time of your soul. Know, my children, I died for you. I am your only true God, Lord Jesus Christ. My Father God is the God of Abraham and Isaac, your God, your Father, but you, my children live in fear of tomorrow, fear of your future, wanting to know more than the mystery of God. My children in distress: instead of turning to prayer, you stop coming to my Holy Church to change the worse into a better future upon yourselves. The power of prayer is the future, the hope that you are searching for without any doubt or uncertainty of tomorrow.

My Petal, you wanted to ask me a petition. You may ask me, your Lord of Lords.

[Fernanda] *My loving Jesus Christ, I read there is one little child in need of prayers far from here. Emile disappeared without any trace in the midst of his loved ones. He is two years old. They are asking for prayers. My loving Jesus Christ, have mercy and compassion upon your little one Emile. Jesus, I trust in you upon this, your little child and his loved ones in pain. Thank you, my Jesus of mercy, Jesus of Nazareth. I love you. Sua bênção.*

Thank you, my Petal. Yes, pray, pray as my children are frantic, in pain. I am aware of my children and many, many more upon this world in their most aching hearts, in similar circumstances. My Blessed Mother, she is the Mother of the innocent children with her Virginal Mantle.

I give you my peace, my peace, I give you, your loved ones and all my children.
