

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7-8

### Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus of Nazareth, my Heavenly Father, the Holy Spirit and my Blessed Mother Mary.

My little one, I, your Jesus of Nazareth, whose birth was celebrated on Christmas Day according to the custom of the Lord of Lords, the Almighty Father God, [I am here to converse with you]. My Petal, this has been a festive season for many of my children with understanding, wisdom, knowledge from heaven, who are aware of the true meaning of Christmas, the birth of Baby Jesus, knowing that the reason for my holy birth was to bring salvation to the world, upon my children, according to my Almighty Father's will. But very few of my children understand the purpose of my birth. Many of my children only want this festivity as a holiday to divert the meaning of Christmas Day. Yes, it's a joyous time, the joy of the birth of the Messiah being promised to bring salvation, but many of my children don't come to the celebration of my Holy Mass. They get merry with the opposite meaning, "drink to be merry!" Yes, I desire my children to be happy, merry, with the intent to comprehend that not all this is necessary to be joyous about the birth of Jesus of Nazareth. Yes, it's beautiful to see my children having a beautiful variety of manna from heaven, good, tasty food, to see their tables filled with abundance, but there are many throughout the world who are less fortunate. Many earthly angels are the helping hands upon these, my children in need of help. Heaven sees all these good acts of love.

My Petal, my Heavenly Father, he is here to relay a message.

### Father God

My little lamb, I, your Almighty Eternal God, I am here to converse with you as you are far from our home in this magnificent place, with the beauty of my creation, with these my people, Charles, Evelyn and family, brothers and sisters in Jesus, who are in a joyous peaceful time, designated by us here in heaven. My little lamb, we here in heaven, the Triune God, allowed this special time spent here to invigorate your mind and spirit with peace, love and joy, as you were in need of restoration from your arduous work, dedicating yourself to your call, with these, my people, who care for you and love you very much. This is all blessings and graces sent from heaven. My people must understand that with patience and trust in my Son Jesus, us, the Triune God, when they are our servants and helping my people without compensation from this world, in time to come, in our own time, all will be retributed upon them. If not in this world, they will receive the treasure in heaven. My little lamb, you do comprehend these, my solemn words, as through your entire life, you have

given yourself with love, without waiting for rewards, in the silence of your heart. Sometimes, the little you had, you never hesitated [to give] a helping hand. The forgiveness and humility – these are all graces that my people don't see.

My people, we are aware: even a small token from your heart is a treasure to be stored in the Book of Heaven. My dear people, this is a new year, a new beginning for a better life with love in your hearts, to change the bad within your hearts, amend in repentance and use this to [come to] a new epoch within yourselves. Shut the door of last year, change the bad habits, addictions; forgive, love, let go of the past; turn a new page with a clean book, the book of life of this world, and start afresh with a Book of Heaven all written in letters of gold for one day when it's your time to come back to eternal life.

I give you my peace, my peace I give you, your loved ones and all my people. Amen.

[Fernanda] *Thank you, my loving Father God, my Holy Trinity. I love you. Sua bênção*<sup>1</sup>.

Thank you, my Petal. My Blessed Mother, she is here to converse with you.

### **Mother Mary**

Thank you, my little daughter, *minha filhinha*<sup>2</sup>, I, your Blessed Mother, I am here as today, the first day of a new year, 2024, I desire my children to be entwined with the hearts of the Immaculate Heart of Mary and my Son's Sacred Heart. These two hearts are joined together with our love upon you all, my children. It's our desire to see you in prayer as a family, praying my Holy Rosary, teaching our children, your loved ones, innocent little children, the basics at a young age, planting the seed of our love upon them to be watered in time to come for their future. As a new dawn, new year, 2024, my children need to change in many ways for a better future. Oh my children, do not hold grudges, unforgiveness, but start this year with a firm resolution to trust, to pray, to make this year a year of prayers for your family, loved ones, for the ones in need of prayer, not only for yourself and your family; living my Son's Holy Mass with respect, sincerity, focussing on the readings, the Gospel, the Holy Bible, with no distractions. Look upon the altar as I am standing there during my Son Jesus' holy sacrifice of the Mass. Give your petitions before the Elevation of my Son's Precious Body and Blood. Come to Mass at least ten minutes before Mass. Offer your petitions – your guardian angel will be glad to take them to the altar to present them to my Son Jesus at Holy Mass. Love my Son Jesus with all your hearts. Love one another in the same way.

I bless you, your loved ones and all my children. Amen. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my precious loving querida Mãe*<sup>3</sup>. *I love you. Sua bênção.* ♥♥♥♥xxxx
