

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Pray for the healing of souls, especially those approaching death, and always respect Mother Mary – her prayers save many souls from hell

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother Mary.

Father God

My little lamb, I, your Heavenly Father, I am here with you. My little one, I am here in love, the Father's love, towards my people. I am the source of life upon my people whom I created with so much love. All upon this world is my creation. I didn't make any mistakes, all was perfect, precisely as this world needs. Every child is mine – my own people. I allowed my Son Jesus to be born in perfection. Blessed pure Virgin Mary was also created by me, the Almighty Father, to be Mother of your Saviour. My people, I repeat: respect and love Blessed Virgin Mother. She didn't choose her mission, but I, the Father God, I chose her as a perfect, blessed, pure, humble servant. Her humility and love for each one of you are far beyond my people's comprehension. When my people love my Son Jesus of Nazareth, they love Blessed Virgin Mother and vice versa. Heaven cries when my people disrespect Blessed Virgin Mother. My fury for the disbelief upon my people, disrespecting whom I chose to be the Mother of my Only Begotten Son, but she is so patiently loving each one of you. Blessed Virgin Mother is with my Son Jesus in front of my throne when my people come to eternal life. Oh, she is your defender. Many souls are spared from hell because of her prayers and intercessions, asking her Son Jesus to ask me, Father God, to have mercy and compassion upon them. My heart bleeds to see Blessed Mother pleading for these souls who are in condemnation of sin.

I give you my peace, my peace I give you, your loved ones and all my people upon this earth. Amen.

[Fernanda] *Thank you, my Almighty loving Father. I am your humble servant. I thank you for the gift of my life. I am a sinner, but your love and mercy are my consolation to save me. I love you. Sua bênção¹.*

Jesus Christ

Thank you, my Petal. My Blessed Mother, she is here to converse with you.

Mother Mary

¹ Portuguese to English translation: Your blessing

My little Andorinha², I, your Blessed Virgin Mother, I am here in thanksgiving to my son priest Father George and you for visiting and praying for these, my children who are in hospital, seeking healing upon themselves. Both of you spent your time in different hospitals to bring encouragement, hope and faith to my sick children and to bring comforting words to their loved ones. Oh, my daughter _____ said, "Why, why did this happen to their mother?" Yes, blaming our Father and the Son for this sickness upon their loved ones. Oh my child, we do understand that my children are in despair of losing their loved ones as they are coming to eternal life. Thank you for explaining to them about my Son Jesus' and our Father's love and mercy upon them. Oh, there are so many losing their lives every second of the day and many of them didn't take care of the sickness of their souls. Yes, there are doctors chosen by my Son Jesus to bring healing upon my sick children, but very few take care of the healing of their souls. My heart aches to see many souls falling into the darkness, the horrific place of hell. Oh, if only my children would think to bring healing to their loved ones' souls while there is time, as they think to take them to the doctors for healing of their body, which is very important. If my Son doesn't heal the body through those prayers, they were not in vain, my Son Jesus heals the soul, which is far more important.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my loving Mother, my Triune God. I love you, sua bênção.*

Jesus Christ

Thank you, my Petal. I, your Jesus, I am here with you as my loving Eternal Father and my Beloved Blessed Mother came to relay the message.

I, your Jesus of Nazareth, I am aware of the continuous disruption upon this world, the war in Israel, Palestine, Gaza, (the terrorism of Hamas, also connected to the cult of ISIS), Russia, Syria, Darfur, Iraq and many other parts of the world where my children are tormented, in excruciating pains of war and famine. Bodies are being dismantled, persecuted like slaves of war or slavery in some parts of the world, some parts of China, where my children are forced into arduous labour and the world is not aware of this kind of abuse and pain – manmade rules that are not from God.

My Petal, we thank you and my son priest for the hospital calls, for praying upon my sick children. Oh, some of them, their time is almost accomplished to come back to the Father's house. As you told them, with our Lord Jesus Christ, nothing is impossible, as you knew to comfort the family – yes, in your heart you know that my daughter _____ will soon come to the Father's house.

Continue to pray for these, my children, especially for the ones who are soon coming to eternal life. There is a time for my children to live in this world, but there is [also] the time for the Father's house, which is waiting for our children. As they came into this world for a mission, a purpose, there is also a time for them to come back to eternity where they belong.

I give you my peace, my peace I give you, your loved ones and all my children. Amen.

[Fernanda] ♥♥♥♥xxxx *Beijinhos*³. *Thank you, loving Jesus, my Holy Trinity. I love you. Sua bênção.*

♥ Our heart from heaven. Amen.
