

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7–8

### Jesus Christ

Thank you, my child, humble servant of God. I, your Jesus of Nazareth, I am here with my Heavenly Ultimate Father God, the Holy Spirit – the Paraclete – and my Blessed Virgin Mother, Our Lady of Sorrows as she went through horrific pains, a multitude of massive pains, watching her Son Jesus Christ's [sufferings]. My children don't know, don't want to know, the true meaning of the Passion of Jesus Christ. My dear children, today is Easter Monday. Yesterday was the celebration of my Resurrection, Easter Sunday. What a jubilee, joy! Heaven rejoices, rejoices, hosanna, hosanna. Jesus Christ, truly, truly has risen, alleluia, alleluia, alleluia! I conquered death for the salvation of humankind, my children. Yes, my children, Easter Sunday is a special, festive occasion for a celebration after my excruciating pains. I lay down in a tomb, oh, after three days, I resurrected, rose from the dead.

I thank my children all over the world who followed the forty days of fasting and prayer. Some of them didn't understand the true meaning of the forty days. I went to pray to my Heavenly Father God. Oh, I prayed, prayed, prayed intensely for you, my children. I saw each one of you in the course of the forty days in prayer until Good Friday at 3pm when I had my last breath. My mercy upon this entire world is unfathomable.

### Father God

My little lamb, I your Ultimate Heavenly Father, I am here to converse with you. My little lamb, I am here to relay [about] my Son Jesus' resurrection.

He is risen indeed! What a love I have for my people – I didn't hesitate to give you, my people, my Only Begotten Son for the price of your own salvation. Yes, my people, you are mine, you belong to us here in heaven, but how many of you recognise, appreciate, this token of my love for you? My people, they read and listen to these, my solemn words, but they turn a deaf ear when it comes to their knowledge about my Son's Passion on Mount Calvary.

On Easter Sunday, the world was in disbelief when the Apostles went to my Son Jesus' tomb, oh, the stone was rolled away, the tomb was empty! The Apostles could hardly believe that my Son wasn't there anymore. My Son's body had been perforated with huge nails, his feet were perforated on the bottom and the top with huge nails. It would have been impossible for a human being to take that amount of pain. My Son Jesus of Nazareth has risen to bring new life, a new beginning, to be the light of the world. My Son Jesus is the light, the Alpha and Omega, the Beginning and the End.

My dear people, spend more time in prayer and acknowledge that the Son of God is the light of the world: "In you I trust, risen Lord Jesus Christ, alleluia. Amen." My people must repeat these my solemn words.

My little lamb, my dear people, we, the Triune God, we bless you, your loved ones and this entire world. Our peace of heaven falls upon you, my people. [May] the light of the risen Lord be your guidance and help in your daily lives. Amen.

### **Mother Mary**

My little Andorinha<sup>1</sup>, I, your Blessed Virgin Mother, I am here at this hour on Easter Monday to commemorate my Son Jesus Christ with you all, my people, my children. Oh, my sorrow as they lay down my Son Jesus' lifeless body in my arms! My pain was appeased knowing that his torment, his excruciating pains had ended. I caressed my Son Jesus' Precious Body, his *extenuante*<sup>2</sup> pains were over. Yes, I cried intensely – my tears of blood in seeing my Son Jesus' distorted body. I waited until Easter Sunday. As my Son Jesus Christ lives forever, my Immaculate Heart of Mary rejoices: hosanna, alleluia, my Son brings new purpose in your life. The Alpha and the Omega, my Son Jesus lives, lives, lives. He has risen, he is the Beginning and the End. Believe and trust in his love for you all. Amen.

I bless you, your loved ones and all my children. Amen. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my Blessed Ever-Virgin Mother. Thank you for your pains, sorrows as you watched, perplexed and emotional, the sufferings of your Beloved Son Jesus of Nazareth for our salvation. I love you. Sua bênção*<sup>3</sup>, my Holy Trinity. Amen. ♥♥♥♥Beijinhos<sup>4</sup>.
