

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7–8

### Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Almighty Father God, the Holy Spirit and my Blessed Mother Mary. My little one, I, your Jesus, I am here to relay a message to my children in convoys, with their minds being troubled.

My children are in torment in every part of the world. There are convoys of my children being uncertain, despondent as they see their countries falling apart through bad management, bad decisions made by the government and their opponents. My children at this moment in this country [South Africa] are panicking. The ballots have been reorganised for another vote to be counted.

My dear children, I am your God, your Lord. All is in my hands. Oh, many of my children are feeling sad, in fear of the outcome of the votes being counted.

### Father God

My little lamb, I, your Heavenly Father, I am here with you.

I see the interruption – you closed your eyes as you couldn't focus on our conversation.

My little lamb, time is running out. Time is very peculiar at the moment. My people are in despair in many parts of the world and in this country in which you are living. Oh, if only my people would pray with confidence and trust. With strong prayers, this world would change, but there is a lack of trust. Yes, government leaders are failing in their duties, their tasks. Governments are disconnected from God, from my Son Jesus Christ. They don't pray, they don't set the example. Oh, they disconnect themselves from the will of God. Some of them follow other views, other convictions away from the will of God.

My little lamb, prayers, intense prayers help tremendously for my people to gain strength and courage to encounter the difficult situations of their daily lives. Yes, we are aware here in heaven of the situation of this entire world, which in need of much reparation. My people must focus now on the well-being of their souls. My people are aware that many people are dying more intensely through war, through sicknesses, infirmities, diseases caused by the wrong medication, all these kinds of disease and the side effects that have been done through malice.

I give you my peace, my peace I give you, your loved ones and all my people.

[Fernanda] *Thank you, my loving Father God. My Triune God. I adore you, I love you. Sua bênção*<sup>1</sup>.

### **Mother Mary**

My little Andorinha<sup>2</sup>, I am here with you, my child.

Oh, I cry tears of blood to see my children going through rough times. Yes, my child, the warning, the warning, has been proclaimed to my children a long time before in the many countries of my apparitions, and many others. I cry tears of blood through my statues, images – yes, this really happens. My children have scales, blinkers, upon their eyes. In every apparition, I come more and more profoundly with concern. I appear in different places, countries, asking for the same thing. Yes, tornadoes, earthquakes, mudslides, cyclones will occur more and more.

Thank you for all the prayers as you prayed the prayers entrusted to you intensely. Continue, my child, as you did today. Only prayers will combat, avert, divert many disasters and avalanches from happening.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.
