

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Many are too afraid to confess all their dark sins in Confession – they take them to eternity and then wish to come back and make amends

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, the Holy Spirit, my Heavenly Father and my Blessed Holy Mother.

My Petal, I, your Jesus, I thank you for sitting with me, your Jesus, at the Blessed Sacrament to keep me company. The singing about us and to my Blessed Mother has been a balm to my Sacred Heart. Oh, my pieced heart: as my children are piercing it, the more we ask my children to be aware of their sins. Some of my children are taking, receiving these messages with ignorance, but for many, they know the meaning of their offenses towards my heart. I, your Jesus, I am pounding with love, waiting for my children to turn that page of their past, darkest sins, oh, many unconfessed sins. Many of them come to Confession, but take their sins back with them. Oh yes, they fear, so they come back from Confession with a bag of unconfessed sins, taking them back with them, and most of them come back to eternal life with the garbage. Oh, if only my children knew that when they come to eternal life, they wish to come back to earth to amend those unconfessed sins, the unforgiveness, the rage of resentment, etc. These are dark sins upon their souls.

My Petal, my Heavenly Father is here to converse with you.

Father God

My little lamb, I, your Heavenly Father, I resolve my people's unresolved [issues], the problems of their daily lives, but my people do not open their hearts completely, they hide away the darkest impurities, the unforgiveness. Yes, when my people say that they forgive, but don't forget, oh, my people, my Son Jesus Christ upon the cross didn't say those words. From the bottom of my Son Jesus' loving, merciful heart, his words were, "Father, Abba, Abba, forgive them." My people don't know the meaning of these powerful words. Oh, what a tragedy upon their souls as my Son Jesus' teachings and sacrifice were in vain. As my Son Jesus looked down [from the cross] at my people, he saw the lukewarm tepid souls. He saw the wars, the countries against countries, the sins of adultery, fornication, impurities of the body, killings, murders and hatred. My people carry on doing the same against one another. Oh my people, if only you knew how this would affect your lives, your soul, [when you] need to come and see the Face of God, when you come to eternal life, but very few have that opportunity. My Son Jesus gives them free will and guidance – his teachings are upon this world, but few follow them.

I give you my peace, my peace I give you, your loved ones and upon this world.

Pray, my people, for the conversion of sinners, for them to amend and leave all the dirty garbage behind. Through the love, the destiny that my Son Jesus mapped for each one of you, my people, in the name of the Father, the Son and the Holy Spirit, blessings fall upon you all. Amen.,

Jesus Christ

Thank you, my Petal. My Blessed Mother, she is here to converse with you.

Mother Mary

My little Andorinha¹, my Swallow, you are on the right path of your life through your obedience to serve my Son Jesus Christ. Yes, the road has been rocky, but [through] your trust in my Son Jesus in bad and good times, you conquered many obstacles and trials on the road to help my Son Jesus in many different ways.

My Petal, my child, I thank you for being with my daughter Alice and my son priest, my son the shepherd, to do some restoration upon my Son's children, some of them in depression, but through my Son Jesus' healing hands, using your hands [they are restored]. You all went out of your way last night to reach out to these, my children, as the three of you helped my son Manny _____ with prayers. As my Son Jesus said, there is no major illness. Tomorrow he will be home with his loved ones. [Through] the two Masses being celebrated in my children's homes, the power of my Son Jesus' Holy Mass, they are all blessed and healed in their homes and daily lives.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my Blessed Holy Virgin Mother. Thank you, my Holy Trinity, angels, my guardian angel, for your blessings and protection all the days of our lives. Amen. ♥♥♥♥xxxx Beijinhos².*

Jesus Christ

Thank you, my humble servant. I give you my peace, my peace I give you, your loved ones, your enemies and all my children. Amen.

♥ Our heart from heaven. Amen.
