

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Abortion is an abomination against God, cold-blooded murder – the very few countries that disallow this crime will be blessed by God

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Eternal Father God, the Holy Spirit and my Blessed Mother Mary.

My little one, I, your Jesus of Nazareth, I am here with you as the time is coming – it's near, near. My children asked you about heaven's time – it's not the same as the time on earth. Our time in heaven is exquisite, prominent, it's provided from above, from heaven. My children are seeing, reading about many messages that have been prophesied through visionaries of my Blessed Mother and my messengers, yet they still don't see or comprehend the content of these messages. Yes, "parables" is the keyword for my children to pray and ask the Holy Spirit for guidance on my living Word. My words of yesterday, today and tomorrow are the same. My living words never fail. My constant constancy to bring my children back to my heart is a true love, to bring my children to understand the immensity of my love, my mercy upon them all. What a disaster for their souls when they are afar from being saved. My Petal, my Holy Heavenly Father, the Father of love, his and my heart pounce with joy when my children get to know me, Jesus of Nazareth.

My Petal, my Heavenly Father is here to relay a message.

Father God

My little lamb, I, your Heavenly Father of all creation, I am here with you to evangelise the Word of God, whom my children, my people, are far from comprehending. My people, this is an arduous road to walk away from the goodness of God, which is in front of my people, but my people follow other paths. Yes, there is much turbulence at the moment – crimes, killings, especially abortions in their mothers' wombs.

My child, my little lamb, we have been interrupted. You are very tired. Listen and continue with our conversation.

My little lamb, yes, I, your Heavenly Father created all my people. The Holy Spirit is the Breath of Life upon them. If only my people would see the tragic, horrific way these little foetuses, babies, are perforated with huge needles into their little bodies, killing them without mercy, ripped piece by piece from their mothers' wombs. What a murder! This is cold-blooded murder. They are killing my own flesh and blood. They are also killing the Holy Spirit, the Breath of Life. Then they throw them away in dumps, rivers, burying them in the ground, hiding them away. Yes, they can hide them in this world, but not in heaven as we see, witness everything. What a barbaric crime of injuria. It's the

most disgusting sin upon their souls. Yes, my little lamb, we asked you from the beginning of our messages to pray for the mothers, fathers, families, doctors and nurses who are part of these crimes, culpable homicides. They who are culpable, complicit. Pray for them to repent, to come to Confession with a contrite heart to be absolved by my son priests. My Son Jesus allows my son priests to hear their Confessions, but my Son Jesus, he is in the confession box to absolve them. Then they will be acquitted of this horrendous sin and their Book of Heaven will be clean. Heaven cries for this kind of sin, this abomination against the will of God.

I give you my peace, my peace I give you, your loved ones and all my people. Amen.

[Fernanda] *Thank you, my Almighty Father God, my loving Jesus Christ, my sweet Holy Spirit. Thank you. I love you. Sua bênção*¹.

Jesus Christ

Thank you, my Petal. My Blessed Virgin Mother, she is here to converse with you.

Mother Mary

My little Andorinha², I, your Blessed Holy Virgin Mother, I am here with you. Let's continue with our Almighty Father's dialogue about abortion.

What a scandalous abomination against the creation of our Creator. My children continue to do it every second of the day, all over the world. My Son Jesus will bless the countries that don't allow abortion to be committed. Oh, what a painful time when government leaders pass laws that allow abortions to be committed, legalising abortion until babies are born! This is one of the most horrendous crimes. They murder them in the mothers' wombs with no remorse. Oh, my little babies, my fetuses cry before being killed in their mothers' wombs, pleading not to be killed with sharp instruments that cut them in pieces. There is no punishment for this crime on earth. Very few countries don't allow abortions. Yes, these countries are blessed. Yes, there the abortions are not permitted there – the mothers are getting punishment in jail. I go and pick up the babies and bring them to a special place in heaven. These babies need to be baptised and to be given names³.

Pray, pray for these, my children, to repent. With repentance they can be saved.

I bless you, your loved ones and all my children. Amen. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my Blessed Holy Virgin Mother. I love you Sua bênção. ♥♥♥♥xxxx Beijinhos*⁴.

Jesus Christ

Thank you, my Petal. I, your Jesus, ask you to continue to pray for this entire world. There is so much coming upon this world. Pray intensely. This month is dedicated to my Blessed Mother of Sorrows. Pray the Rosary of the Seven Sorrows⁵ for all the intentions and secrets given to you, as my Blessed Virgin, Our Lady of Sorrows, is interceding at this time, during this month, for this entire world in destruction of sins. My child, pray now.
