

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my child Fernanda, for sitting with me, your Jesus Christ, my Heavenly Father, the Holy Spirit and my Blessed Mother.

We are the Triune God in conjunction with my Blessed Mother. We are here to concretise a message that's been in your heart. We do know everything about each one of our children's gifts, talents, thoughts, their capacity for doing my work. The servants of God who have given their wills to me is a grace, a blessing upon their lives, a sacrifice. We are aware of every situation, conflicts, hardships and trials. My humble servant, there is nothing that passes in their minds, spirits, without our knowledge. Each one of our children are designated with their own special gifts of the Holy Spirit. When my people, our children, are working in my harvest, it's by their own free will – I do not force them. I am gentle, meek as a lamb towards my children. My harvest is big and my workers are few, but I desire all my children to be humble and compassionate, as I am a merciful, compassionate, loving God, Jesus of Nazareth.

Father God

My people, I, your loving God, desire my people to help my Son Jesus to bring lost souls, lost sheep back to salvation. This world is in so much conflict. Yes, it's not the world, but my people who have turned around and are not following my Son Jesus' teachings as they are supposed to be. Oh my people, instead of choosing to live in peace, harmony and unity with one another, they have the wrong perception of doing the will of God. My people are so focussed on the media, listening to many different [kinds of] advice as to what is going to happen in the future, but how many of my people turn to prayer to help change their hardened hearts? They turn to criticism, gossip, slander, envy jealousy of one another, not helping my Son's Sacred Heart that is so offended from so many crimes, crimes of injuria, slandering the people who are doing good to bring salvation to the souls in need of help.
