

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

The Chastisement is soon, not as a punishment, but for people to see their sins with terror and ask for repentance if they want to be saved

Father God, Jesus Christ, Mother Mary, Triune God

Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Heavenly Father, the Holy Spirit and my Blessed Mother.

My humble servant, we, the Triune God, we are here in unison of voice to concretise the question upon your heart. My child, we are aware of the question placed upon you as my son Charles was asking you about our messages from 2010. Yes, there were some secrets as I, your Jesus Christ, told you about the countries that were going to have catastrophes, disasters, cyclones, volcanoes of water etc., as per my account. I, your loving Jesus, allow you to describe them, to reveal them to the world. As I have said, it was only the two of us at that time, but yes, the world has to know as they have seen avalanches, floods, earthquakes, many disasters that have been happening all over the world. I, your Jesus, I am here to permit this question to be answered, with my authority, my permission.

Father God

I, your Heavenly Father, I am here to correspond about my Son Jesus' answer. My little lamb, the world is aware of these ultimate indignant disasters happening, but the power of prayer will placate the impact, the force of these disasters. Many times, as the angel of the Lord God was coming down to strike disaster, through those intense prayers for the world, for the disasters not to strike, it was spared, yes, without my people's knowledge. That is why it's very important, my humble servant, to be in prayer.

Mother Mary

My child, I, your Blessed Mother, I am here with our Triune God as I am always next to my Son and vice versa. I am witness to all the disasters of this world – cyclones, strong winds – see, every country in this world has been affected in many different ways. Yes, my little one, lately I have appeared many times in this world in different countries. I am crying tears of blood, but despite all these happenings, my children are still doubting. They see this as normal. No, no, my children, there is much need for many more conversions. Soon, the Chastisement will come – not to punish, but to convert my children – for them to see their own sins with terror and to ask for repentance from the depths of their hearts. The ones who really want their salvation will be convicted.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

Triune God

We, the Triune God, in conjunction with the Mother of God, we are always united, ignited with love towards our children. We are caring, we are loving our people to bring them to the light of God the Son Jesus of Nazareth. We are united in our suffering with our Son Jesus Christ to bring salvation to humankind, the people of God.

We give our peace, our peace we give you, your loved ones and our people. Amen.
