

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Jesus is in constant pain seeing his children living in sin, not caring for their souls despite his messages of love to open their hearts

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Heavenly Ultimate Father God, the Holy Spirit and my Blessed Mother.

My Petal, I, your Jesus of Nazareth, I am here with you to relay a message, as I have been prolonging all these years for my children, but to no avail. We, the Triune God, we are merciful and compassionate towards our children. My Sacred Heart bleeds constantly, knowing how my children are carrying on in this world, procrastinating [the healing of] their souls. I, your Jesus, see the hopelessness. My Blessed Mother and I try to send messengers of love and encouragement to them, for them to see with the eyes of their hearts. Our desire is to see them in paradise with us. What a battle as my Blessed Mother runs out of words to bring upon them for their conversions. My visionaries have also received messages for many long years to open their hearts. What an arduous task, but my Blessed Mother is constantly defending our children, asking me and my Father to pardon, to give them another opportunity for them to turn to my Sacred Heart.

My Petal, my Heavenly Father, he is here to converse with you.

Father God

My little lamb, tonight we are here to bring you some clarity on some issues as your heart was in pain. In the silence of your heart, you have always been a true, sincere sister in Jesus Christ. You have always been in defence as your heart knows and you empathise with my people's hardships and trials as you yourself underwent them in the past. You went through the most difficult times, which we the Triune God allowed you to go through in the course of your life. Yes, my child, in certain times before, you would never have said a word, you would have kept silent with tears in your heart. I do know you desired to be that way. You didn't sin as you felt you should have kept quiet. Know that you didn't offend anyone. Know, my little lamb, there is a time, a season, for everything. My little lamb, continue to pray for the ones in need of help, in need of financial help, work, as times are getting arduous all over the world. There is no time for status: my people must learn to accommodate themselves, to live in simplicity.

I give you my peace, my peace I give you, your loved ones and all my people.

Pray, pray, pray for my people, for strength, hope and faith. Never to lose hope, as my Son Jesus upon the cross, he never gave up on them. His love endures forever. Amen.

[Fernanda] *Thank you, loving Ultimate Father, my Triune God. I thank you. I love you. Sua bênção*¹.

Jesus Christ

My Petal, my loving Blessed Mother, she is here to converse with you.

Mother Mary

My little child, I, your Blessed Holy Virgin Mary, I am here with you.

Tonight, you and my daughter Alice went to pray upon my sick child, my daughter Zita, as my Son Jesus is the healer. My Son never goes back on his living words. He is the healer – yesterday, today and tomorrow. My children must believe and surrender to him with all their hearts.

Oh, you both encountered my children who were in so much pain. Yes, my daughter Emma and her mom were in so much pain at the hospital at the loss my daughter Erin who had an accident. Yes, she was very young, but my Son Jesus, our Father the Creator and the Holy Spirit never [advise when] their time is accomplished in this world through the Holy Spirit who gives my children the Breath of Life – they choose young, old, any age. Yes, the Holy Spirit knows the time, hour of my children's last breath on earth. My children must be ready at all times to come to eternity. Death is like a thief in the night. My child, pray for the soul of my child Erin. You didn't know her, but you and my Alice prayed the Divine Mercy Chaplet, which was very essential. Pray for this entire family, your brothers and sisters in Jesus Christ. Amen.

I bless you, your loved ones and all my children. Amen. Thank you for responding to my call. Amen.

[Fernanda] *Thank you, my loving Blessed Holy Virgin Mother. I love you. Sua bênção. ♥♥♥♥xxxx Beijinhos*².
