

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7-8

### **Jesus Christ**

Thank you, my daughter, for sitting with me, your Jesus Christ, my Heavenly Father God, the sweet Holy Spirit and my Blessed Holy Mother. We are here in unison of voice as the Holy Trinity. We are here with our love to transmit to our children, our people, our love and concern towards them. Our love is unconditional, love without measurement. I, your Jesus Christ, the Son of God, the Messiah, the Redeemer of all your sins, my precious children, I am your anchor when you feel the boat is going to sink in the rough seas, as you, my children, are going through at the moment. Yes, my dear children, all over this world, every country is going through different disasters, persecutions, trials and hardships, different episodes upon their countries. My dear children, lean on me. Focus upon me. Do not look left or right. I am standing in front of you to hold you, your hand. Just stretch out your hand and I will reach you wherever you are. I am your rock, your pillar. Remember, when St Peter was walking on the water, he kept focusing on me, Jesus of Nazareth. The moment he took his focus off me, he was going down in the water, the fear came upon him.

### **Father God**

My people, I am your Almighty Father God. I am your Creator, your God. I am pleased to be your Creator, your Heavenly Father, but how many of you turn away from me, from my Son Jesus of Nazareth in these most difficult times. This world is in the most chaos, disarray, yet my people see the signs around them. Yes, difficult times are ahead. We are the Triune God, we are aware of many disasters, deaths occurring. My people are going through many deaths in their families, loved ones [passing on], but also manmade tools, experiments, the wrong medicines upon my people are causing many deaths. Oh, heaven sees, saw, all of this to destroy my people's lives in many different ways, occasions, but my people are asking "Why, why" is God doing this or allowing this to happen etc. I created everything in perfection upon this world, but my people, because of greediness and using my innocent people for their own benefit – greediness, gluttony of money – every country is with its own issues. Yes, we, the Holy Trinity, we are love, compassion, forgiveness, compassionate in love, but the hand of God is also coming down soon if my people continue to hurt my Son Jesus' pierced heart, blows upon blows, in torturing my Son Jesus with their horrendous endless sins.

### **Mother Mary**

My little one, I, your Blessed Virgin Holy Mother and the Mother of my Son Jesus Christ, I am here as usual, pleading, asking my children to open their hearts, to come and live in intimacy with my Son

Jesus' loving heart. The wars, disasters, are continuously occurring in this world. My children are living in despair, financial loss of income, illnesses, infirmities. My children are in turmoil. Yes, there are many around this world not knowing where to turn. If only in their despair, affliction, they turned to praying without ceasing. Yes, you told my children that the Holy Family of Nazareth also went through many tribulations, hardships. Yes, my child, St Joseph and I, Blessed Virgin Mother, with my Son Jesus of Nazareth, we went through difficult situations according to our own Heavenly Father's holy will. We accepted our trials with humility and dignity. Our Almighty Father God didn't spare us from hardships. It had to be God's will.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.

### **Triune God**

The Father, the Son and the Holy Spirit, we give our peace, our peace we give to our children, our people. Amen.
