

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.

Even so. Amen.

I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7–8

### Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Mother.

My little one, we miss our conversations – they are needed more assiduously, more often. I do know, my Petal, you have been like a spinning top helping my children in their aching hearts. Yes, my child, many of my children are in brokenness in their daily lives. Yes, I have said many times before that this world is going through a peculiar, arduous trial. Oh, if only my children would believe and trust in me, Jesus of Nazareth. My birth is near as a tradition for my children to understand the family of Nazareth, St Joseph the chaste spouse, betrothed to a pure humble virgin of Nazareth, my Blessed Mother. They also went through the most [arduous] tribulations and hardships. The Eternal God didn't spare them hardships, but my children don't see this. They only see trials upon themselves, asking God, "Why, why is all this happening to me?" Oh, my ignorant, pessimistic children!

My Petal, my Heavenly Father, he is here to converse with you.

### Father God

My little lamb, I, your Heavenly Father, I am here – we are in the midst of a catastrophe of my people. Do not fear the outcome, the unknown, as the future belongs to God. Stay with us in the midst of tribulations. We are the Father, the Son and the Holy Spirit. Amen. You are mine, my children, my people. The war, famine is getting closer by the day, with so much already done. Many innocent people are falling in despair, despondency.

[Fernanda] *My loving Father God, I am sorry. I ask forgiveness for this huge interruption in our conversation.*

My little lamb, I saw that it was out of your control as you didn't have enough sleep. I let you rest. Let us continue with our conversation, dialogue. Yes, my people are falling into sin in their disappointments, trials, hardships by looking into other options for help. They must know that their help comes from above, from us in heaven. Yes, my little lamb, you also went through your most difficult trials, tribulations, but your focus was on my Son Jesus, the Triune God. You knew in your heart that your God, your Lord Jesus Christ was your salvation, the solution for all your pains, hardships. Yes, in the silence of your aching heart, crying tears of blood, holding the foot of the

cross<sup>1</sup> as you were praying, pleading to my Son Jesus of Nazareth to help you. My Son does not stay inert to our people's cries.

I give you my peace, my peace I give you, your loved ones and all my people. Amen.

[Fernanda] *Thank you, my loving Father, our Triune God. I love you with all my heart. Amen.*

### **Jesus Christ**

My Petal, my Blessed Mother, she is here to converse with you.

### **Mother Mary**

My little Andorinha, I, your Blessed Virgin Mother, I am here to unfold the truth of my Son Jesus' birth. Soon he is going to be born to bring the light of salvation upon this entire world, the light of Jesus Christ, the Messiah. This week, the fourth week of Advent, [the candle of] love in this fourth Sunday of Advent means the love of Christ, the Redeemer of my children, their sins, to be set free from Gehenna.

My little one, I, your Blessed Mother, I see you and your loved ones, family, brothers and sisters in Jesus Christ attended the wedding of our grandson Ricardo this weekend with joy. We here in heaven witnessed it all with gladness, and some of your loved ones in eternal life were in this joy with peace, love and unity, in await for the last blessing placed upon them, the last vow. I give my blessing upon them. I will protect our grandchildren, great grandchildren, with my Blue Virginal Mantle, your loved ones and all my children. Amen.

[Fernanda] *Thank you my Blessed Holy Virgin Mother. I love you. Sua bênção<sup>2</sup>.*

### **Jesus Christ**

My little one, yes, our grandson Ricardo and Danielle were married this week. We were very joyous to see all of you in peace and love on this special day. Yes, your loved ones and family in eternity were also celebrating. Yes, my Petal, the souls of my departed children, they can see it all. If my children pray for them, they also pray for you, my children. They yearn for their loved ones' prayers and they will continue to pray for their loved ones, family, and for [those] who pray for the souls of purgatory.

Our grandson's marriage with his wife, my daughter Danielle – I was present, the Triune God, my Blessed Mother, the angels and saints of heaven, as you were praying fervently for them. We blessed them as our grandson usually prays before going to bed. The seeds were planted. I will continue to water them. Yes, we are very joyous to see him in prayer towards us at night and in the morning. Yes, my children, at this point in time, more than ever before, they need prayers for their protection.

...private message removed...

I bless this marriage. I will protect them. They must keep their faith always, in good and bad times. In the name of the Father, the Son and the Holy Spirit. Amen.

I give my peace to you, your loved ones and all my children. Amen.
