

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.

Even so. Amen.

I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Father God, Jesus Christ, Mother Mary

Jesus Christ

Thank you, my daughter, for sitting with me, your Jesus Christ, my Father God, the Holy Spirit and my Blessed Virgin Mother. My humble servant, thank you for this special time of our dialogue, conversation.

Today is the first day of January 2025. I, your Jesus Christ, I am here to relay a message to my children all over the world.

My dear children, although my birth has been celebrated all over the world in many different countries, they still don't believe about my birth, that I was born on Christmas day. My Blessed Holy Virgin Mother, a simple, humble peasant and my earthly foster father Joseph, a pure, holy carpenter, were chosen by my Heavenly Almighty Eternal God. My Father, through the power of the Holy Spirit and my Blessed Virgin Mother, allowed me, his Only Begotten Son Jesus of Nazareth, to be born. My Heavenly Father didn't choose rich parents for the Saviour of the world, the promised Messiah. I was born in a manger – all the doors were locked closed, no one allowed my parents to have a place for the Son of God to be born. See, my dear children, my Almighty Father didn't spare my earthly parents and his Only Begotten Son from pains, rejection, trials and hardships. The Family of Nazareth, Blessed Virgin Mary and St Joseph the chaste spouse made sacrifices and went through trials and hardships.

Yes, my dear children, as this new year begins, be prepared at all times with faith, courage and trust to *enfrentar*¹, to come across trials and hardships. Oh my children, take courage, focus upon me, your Saviour. Remember me, your Jesus Christ, upon the cross: I had to suffer excruciating pains for the love of you all. I didn't give up on you. Follow me, take up your crosses. I will alleviate your burdens. Put your God, your Lord Jesus Christ, first in your life. I will do the rest upon your lives. I am your anchor for the boat to come safely ashore with you.

My child, my Almighty Father God, he is here to converse with you.

Father God

My little lamb, I, your Eternal Father God, I am here with you.

Today, the first day of the year 2025, is a new epoch, a new beginning of a year of trials and hardships, but my people must focus, focus with trust as they say, "Jesus, I trust in you." They must say these words with trust and in prayer. We, the Triune God, we do proclaim: my Son Jesus' living words of yesterday, today and tomorrow never fail. We are the true, living God. My Son Jesus is the light of the world. Whomever believes in him will never die, whomever eats and drinks his Most Precious Body and Blood will have eternal life in abundance. These are the most crucial times upon this entire world. Many hardships and tribulations will fall upon this world. These are the times that my people must eat and drink his Most Precious Body and Blood for their strength and faith, to be protected at all times. In times of famine, my Son's Precious Body and Blood will be their sustenance. Pray and cover yourself with the Precious Blood of Jesus Christ. When you are in danger, it will be your shield of protection.

I give you my peace, my peace I give you, your loved ones and all my people.

[Fernanda] *Thank you, my Eternal Father God, my Triune God. I love you. Sua bênção*².

Jesus Christ

My child, my Blessed Mother, she is here to converse with you.

Mother Mary

Thank you, my Andorinha³. I, your Blessed Mother, I am here with you in conversation at this faraway place.

My child, you prayed and asked my Son and me, your Blessed Mother, about going to celebrate with your loved ones and brothers and sisters in Jesus Christ. My Son Jesus allowed you to go. There was a reason, without your knowledge. Yes, the joy and gladness in my children, when there is no malice but simplicity of heart... Deep in your heart, you knew my Son's words said to you, to be in peace, that my daughter Alice was in my care.

My little one, yes, this yearend there was some joy in some parts of the world, but in many countries, there was pain, sorrow, poverty, war, anger, resentment, fighting and disunity. Some families didn't have much on their tables etc. [Some had] much to drink and were in quarrelsome disunity. As this new year begins, my children must pray, pray without ceasing the Holy Rosary, the weapon in their hands, calling me, the Blessed Virgin Mother to pray with them. They must change their hardened hearts and fix their eyes on Jesus the Saviour.

I bless you, your loved ones and all my children. Thank you for responding to my call. Amen.
